

TO: Chair and Members of the Finance & Facilities Committee

FROM: Christopher Mackie, Medical Officer of Health

DATE: 2014 June 12

2013 DRAFT FINANCIAL STATEMENTS

Recommendation

It is recommended that the Finance & Facilities Committee review and make recommendation to the Board of Health to approve the audited Financial Statements for the Middlesex-London Health Unit, December 31, 2013 as appended to Report No. 027-14FFC.

Key Points

- Attached as [Appendix A](#) are the draft Financial Statements for the Middlesex-London Health Unit relating to the operating period January 1st to December 31st, 2013.
- The preparation of the financial statements is the responsibility of the Health Unit's management. The financial statements have been prepared in compliance with legislation and in accordance with Canadian public sector accounting standards.
- A summary of significant accounting policies are described in Note 1 to the financial statements.

Financial Overview

This report provides an overview of the financial information found in both the Statement of Financial Position and the Statement of Operations. The Statement of Financial Position can be found on page three of the financial statements ([Appendix A](#)). The Health Unit has approximately \$5.8 million in cash and near cash financial assets to offset its \$4.7 million short-term financial liabilities, and \$2.0 million in long-term liabilities. These financial liabilities as at December 31, 2013 include the following:

Short-term liabilities: (often paid in the next operating year)

- 1) \$2.0 million in amounts owing to all four funders
- 2) \$1.6 million in unpaid accounts payable and accrued liabilities
- 3) \$1.1 million in accrued wages and benefits

Long-term liabilities: (often extends past the next operating year)

- 4) \$0.2 million is sick leave liability (which is funded through a reserve fund)
- 5) \$1.8 million in post-employment benefits

The \$1.8 million post-employment benefits liability above is the estimated amount required to fund all future costs associated with providing post-retirement benefits. This liability is currently unfunded beyond the current year, however, each year an estimated amount required for the current year is included as part of the operating budget.

The non-financial assets which total \$2.6 million include the net book value of the Health Unit's tangible capital assets, such as lease hold improvements and computer systems, and prepaid expenses.

The last amount on the Consolidated Statement of Financial Position is the Accumulated Surplus for the Health Unit. It represents the net financial and physical resources available to provide future services. As can be seen the accumulated surplus fell by \$546,133 (equal to the annual deficit) as a result of 2013 operations. This is largely related to amortization of tangible capital assets, and highlights a lack of investment in capital.

Page 4 of the consolidated financial statements shows the Consolidated Statement of Operations which details the Health Unit's revenue and expenditures for 2013. The total revenue of \$33.6 million comprised of \$32.3 million (96.1%) in grant revenue from four sources: the Province of Ontario (\$25.7 million or 76.5% of total revenue); the Government of Canada (\$0.16 million or 0.5% of total revenue); the Corporation of the City of London (\$5.4 million or 16.1% of total revenue); and the Corporation of the County of Middlesex (\$1.0 million or 3.0% of total revenue); The remaining \$1.4 million (4.0% of total revenue) comes from program revenue, interest, and other off-set revenues.

The revenues provided for expenditures of \$34.2 million, which includes a \$1.0 million (2.9% of total expenditures) charge (non-cash) for amortization expense which is the decreasing value of the tangible capital assets for 2013. Note #4 beginning on page 12 provides a schedule of changes to the tangible capital assets. The majority of the expenditures continue to be salaries and benefits which total \$ 24.8 million (72.5%). The remaining \$8.4 million (24.6%) consists of travel (1.2%), materials and supplies (3.8%), professional services (10.6%), rent and maintenance (4.6%), and other expenses (4.4%).

Audit Findings Report

Attached as [Appendix B](#) is KPMG's Audit Findings Report which will be presented at the June 12th meeting. An option in presenting the report is for the Auditors to meet in private with a Board of Directors excluding the Chief Executive Officer, Chief Financial Officer and all other staff. While this option has not been exercised in the recent past, Board members should be aware of its existence should they so wish to avail themselves.

Mr. John Millson, Director, Finance and Operations, and Mr. David Ross, Audit Manager, KPMG LLP will be in attendance at the June 12th Finance and Facilities Committee meeting to address any questions regarding this report.

This report was prepared by Mr. John Millson, Director of Finance and Operations.
