Dear Dr. Mackie:

Re: Ministry of Health and Long-Term Care Public Health Funding and Accountability Agreement with the Board of Health for the Middlesex-London Health Unit (the "Board of Health") as amended, dated January 1, 2014 (the "Accountability Agreement")

This letter is further to the recent letter from the Honourable Dr. Eric Hoskins, Minister of Health and Long-Term Care, in which he informed your organization that the Ministry of Health and Long-Term Care (the "ministry") will provide the Board of Health with up to \$897,635 in additional base funding and up to \$102,600 in one-time funding for the 2015-16 funding year to support the provision of mandatory and related public health programs and services in your community. This will bring the total maximum funding available under the Accountability Agreement for the 2015-16 funding year up to \$20,965,300 (\$20,862,700 in base funding and \$102,600 in one-time funding).

The ministry entered into an Accountability Agreement with the Board of Health dated January 1, 2014, as amended. We are pleased to provide you with two (2) copies of the Amending Agreement that contains the terms and conditions governing the funding referred to in the Minister's letter.

We appreciate your cooperation with the ministry in managing your funding as effectively as possible. You are expected to adhere to our reporting requirements, particularly for in-year service and financial reporting, which is expected to be timely and accurate. Based on our monitoring and assessment of your in-year service and financial reporting, your cash flow may be adjusted appropriately to match actual services provided.

The government remains committed to eliminating the deficit by 2017-18 and therefore it is critical that you continue to manage costs within your approved budget.

Dr. Christopher Mackie
