- Next Board of Health Meeting: Thursday November 17, 2016

## **CORRESPONDENCE**

- a) Date: 12 October 2016  
Topic: Bill 17 (formerly Bill 158) - Saving the Girl Next Door  
From: Megan Walker, Executive Director, London Abused Women's Centre  
To: Dr. Christopher Mackie, Medical Officer of Health & CEO

### ***Background:***

Bill 17 proposed legislation to better protect victims of sex trafficking by establishing a day of awareness, make it possible for a protection order to be taken out against a trafficker and increase public awareness through an expansion of the definition of "sex offender" to include offences relating to the trafficking of persons. This bill passed second reading of the Ontario Legislature in October.

### ***Recommendation:***

## **COMMITTEE REPORTS**

### **1) Finance and Facilities Committee Meeting September 1, 2016 (**Report No. 050-16**)**

Ms. Fulton provided a summary of the recommendations from the September 1, 2016 Finance and Facilities Committee (FFC) meeting.

It was moved by Mr. Peer, seconded by Mr. Meyer *that the Board of Health receive the September 1, 2016 Finance and Facilities Committee draft minutes.*

Carried

### **Q2 Financial Update and Factual Certificate (**Report No. 027-16FFC**)**

It was moved by Ms. Fulton, seconded by Mr. Hunter *that the Board of Health receive Report No. 027-16FFC re: "Q2 Financial Update & Factual Certificate" and appendices for information.*

Carried

### **In-kind Support to 100% Programs (**Report No. 028-16FFC**)**

It was moved by Ms. Fulton, seconded by Mr. Peer, *that the Board of Health receive report No. 028-16 FFC re: "In-Kind Support to 100% Programs" for information.*

Carried

### **2017 Board of Health Budget - Financial Parameters (**Report No. 029-16FFC**)**

Discussion ensued about budgeting for a 0% increase with the pressure of inflation, the implications of decreased funding and the Program Budget Marginal Analysis (PBMA) process that would ensure the reallocation of budget resources should any changes have to be made to programs going forward.

It was moved by Ms. Fulton, seconded by Mr. Meyer, *that the Board of Health to approve the following assumptions for planning the 2017 budget:*

- 1) 2% increase in provincial funding for Mandatory Programs; and*
- 2) 0% increase in municipal funding for Mandatory Programs; and further*
- 3) 0 % grant increase for all other programs.*

Carried

### **March 31 Draft Financial Statements (**Report No. 030-16FFC**)**

It was moved by Ms. Fulton, seconded by Mr. Smith, *that the Board of Health approve the audited Consolidated Financial Statements for the Middlesex-London Health Unit, March 31<sup>st</sup>, 2016 as appended to Report No. 030-16FFC.*

Carried

### **Ministry of Transportation Grant (**Report No. 031-16FFC**)**

It was moved by Ms. Fulton, seconded by Mr. Peer, *that the Board of Health to receive Report No. 031-16FFC; re: "Ministry of Transportation Grant" for information.*

Carried

The next Finance and Facilities Committee meeting will be Thursday, October 6, 2016 @ 9:00 a.m.

## **RECOMMENDATION REPORTS**

### **2) Persons Who Inject Drugs in Middlesex-London: Follow-up (Report No. 051-16)**

**Discussion ensued about the following items:**

- The timeframe required for resource allocation and impact.
- What the reallocation of resources will look like on the front lines, such as hiring staff for outreach, leveraging resources that currently exist and making use of additional community services.
- The current status of the Health Unit's application to the Public Health Agency of Canada (PHAC) to request additional funding.
- The Ministry of Health and Long-Term Care and existing community partners (Regional HIV/Aids Connection, London Inter Community Health Centre) that have indicated their support and continue to work with staff to coordinate resources to address injection drug use in the community.

It was moved by Mr. Meyer, seconded by Ms. Fulton, *that the Board of Health support the allocation of resources, described in Report No. 051-16 to address the emerging public health emergency in persons who inject drugs in Middlesex-London.*

Carried

## **INFORMATION REPORTS**

### **3) Sexual Health Services (Report No. 052-16)**

Dr. Mackie highlighted some of the changes that have occurred within this service area and acknowledged the challenges that staff have worked through, adding to the value of work done in sexual health services.

It was moved by Mr. Hunter, seconded by Mr. Peer *that the Board of Health receive Report No. 052-16 re Sexual Health Services Review: An Update for information.*

Carried

### **4) Health Unit Governance Structures (Report No. 053-16)**

Discussion ensued about the small sample size and the findings of this article aligning with literature from a governance perspective, which indicate that organizations that remain independent perform better and adhere better to their set mission. Board members expressed interest in reading the study.

It was moved by Mr. Hunter, seconded by Ms. Fulton, *that the Board of Health receive Report No. 053-16 re: Health Unit Governance Structures for information.*

Carried

### **5) Vaccine Preventable Diseases Standard Compliance 2016-2017 and Program Changes (Report No. 056-16)**

Chair Helmer noted his concern about not remaining in compliance and expressed interest in seeing an updated report on compliance come forward in the future.

Ms. Marlene Price, Manager, Vaccine Preventable Diseases attended to answer questions and advised that the School Principal will be the authority that will carry out the suspension, if required.

It was moved by Mr. Meyer, seconded by Mr. Smith, *that the Board of Health receive information about the following Vaccine Preventable Disease program changes:*

- *Prioritization of assessment and suspension requirements under the Immunization of School Pupils Act for the 2016-2017 school year.*
- *Expansion of the publicly funded Human Papillomavirus Virus (HPV) program.*

Carried

**6) Introduction of Video Direct Observation Therapy (vDot) (Report No. 057-16)**

Dr. Gayane Hovhannisyan answered questions about this report and advised that vDOT is only used for clients with Tuberculosis (TB) due to the length of treatment and difficulty in meeting compliance in monitoring active TB cases. It has not yet been mandated to deliver observation for treatment of people affected by human immunodeficiency virus (HIV).

Discussion ensued about the following items:

- Clarification of why this type of observation is required
- How this type of treatment assists in reducing the transmission of TB during treatment.
- The importance of maintain a course of treatment due to the growing number of drug resistant cases they are starting to occur around the world.

It was moved by Mr. Peer, seconded by Mr. Meyer, *that the Board of Health receive Report No. 057-16 re "Introduction of Video Direct Observation Therapy" be received for information.*

Carried

**7) Medical Officer of Health Activity Report – September (Report No. 054-16)**

It was moved by Mr. Smith seconded by Mr. Peer, *that the Board of Health receive Report No.054-16 re: Medical Officer of Health Activity Report – September for information.*

Carried

**CORRESPONDENCE**

It was moved by Mr. Meyer, seconded by Mr. Peer *that the Board of Health receive correspondence items a) through j).*

Carried

Dr. Mackie provided context to correspondence item k) and noted that the London Abused Women's Centre provided significant evidence to support this correspondence item which seeks to examine the public health effects of accessing and viewing violent and sexually explicit content may have on women, children and men.

It was moved by Mr. Hunter, Mr. Meyer *that the Board of Health to endorse item k) M-47 Petition - Porn as a Public Health Issue.*

Carried

**CONFIDENTIAL**

At 7:46 p.m., Chair Helmer invited a motion to move in camera to discuss matters regarding a proposed or pending acquisition of land by the Middlesex-London Board of Health.

At 7:46p.m., it was moved by Mr. Peer, seconded by Ms. Fulton *that the Board of Health move in camera to discuss matters regarding a proposed or pending acquisition of land by the Middlesex-London Board of Health.*

Carried

At 7:47 p.m. all visitors and Health Unit staff, except Dr. Mackie, Dr. Hovhannisyan, Mr. Jordan Banninga, Mr. Steve Turner, Ms. Laura Di Cesare, Ms. Suzanne Vandervoort, Ms. Heather Lokko, Mr. John Millson, and Ms. Elizabeth Milne left the meeting.

At 8:13 p.m. it was moved by Mr. Peer, seconded by Mr. Meyer *that the Board of Health rise and return to public session.*

Carried

At 8:14 p.m. the Board of Health returned to public session.

## **OTHER BUSINESS**

### **Upcoming meetings**

- Next Finance and Facilities Committee Meeting: Thursday October 6, 2016 at 9:00 a.m.

Discussion ensued about the next Board of Health meeting.

It was moved by Mr. Meyer, seconded by Mr. Peer, *that the Board of Health cancel the next regularly scheduled Board of Health meeting on October 20, 2016.*

Carried

The Board of Health requested that Ms. Elizabeth Milne, Executive Assistant to the Board of Health and Communications work with staff and Board members to determine a date in October for the Board of Health development session.

It was moved by Mr. Meyer, seconded by Mr. Peer *that the Board of Health cancel the Governance Committee meeting scheduled for October 20, 2016.*

Carried

Chair Helmer advised that if a Board or Governance Committee meeting is required following the Board development session, he will call a special meeting at that time.

## **ADJOURNMENT**

At 8:25 p.m., it was moved by Mr. Peer, seconded by Mr. Meyer, *that the meeting be adjourned.*

Carried

**4. NEW BUSINESS**

**4.1 Health Unit Insurance Policy Review ([Report No. 040-16FFC](#))**

Mr. John Millson introduced this report and Ms. Jessica Jaremchuk, Frank Cowan Insurance Company, who provided a high level overview of the Health Unit's insurance policy and Appendix A to Report No. 040-16FFC.

Ms. Maureen Cassidy arrived at 9:18 a.m.  
Discussion ensued about the following items:

- Ensuring there is no duplication of coverage for Council members who might already have coverage through the City or County, in order to provide cost savings.
- Clarification of several terms in the policy including: coverage for laptops when away from the premises, equipment breakdown, advertiser's liability, medical liability malpractice insurance and coverage under errors and omissions.
- How the possibility of relocation might affect the Health Unit's insurance and if any additional costs might be associated with potentially moving to another building.

Dr. Mackie advised that there are two items that staff will review further in the policy which relate to matters regarding identifiable individuals. These items will be further discussed in-camera.

It was moved by Mr. Helmer, seconded by Mr. Peer, *that the Finance & Facilities Committee receive Report No. 040-16FFC, re: "Health Unit Insurance Policy Review" for information.*

Carried

#### **4.2 2016 Budget – MOHLTC Approved Grants ([Report No. 036-16FFC](#))**

Discussion ensued about the following items:

- The language around 0% increases and the process for receiving additional funding from the Province.
- The process for receiving one time funding requests, how they are used and how they differ from funding for mandatory programs.
- Clarification of the changes that occurred with the Healthy Smiles Ontario program and its budget.

It was moved by Ms. Vanderheyden, seconded by Mr. Peer *that the Finance & Facilities Committee receive and make recommendation to the Board of Health to approve the Board Chair to sign the Amending Agreement No. 5 to the Public Health Funding Accountability Agreement as appended to Report No. 036-16FFC.*

Carried

#### **4.3 2016 PBMA Process Update Report ([Report No. 037-16FFC](#))**

Dr. Mackie provided an overview and history of the Program Budget Marginal Analysis (PBMA) process, describing the role Price Waterhouse Coopers played in assisting with the review to initiate the PBMA process, how it functions to enhance budget processes and allows for greater Board oversight of the Health Unit's budget to enhance transparency and accountability.

Discussion ensued about the following items:

- Clarification of costs associated with replacement of mobile phone devices, and changes to cell phone service, including monthly operating fee, one-time spending to provide cost-saving on devices over the next three years and the current status of device replacement.
- Healthy Babies Healthy Child screening and the challenges faced in bringing this work together and the actions completed on this item so far.
- Clarification of eliminating dental claims administration and if all savings from this item will be realized in the calendar year.

It was moved by Mr. Helmer, seconded by Ms. Vanderheyden *that the Finance and Facilities Committee receive Report No. 037-16FFC, re: "2016 PBMA Process – Update Report" for information.*

Carried

#### **4.4 2016 Public Health Financial & Accountability Agreement Indicators ([Report No. 038-16FFC](#))**

Dr. Mackie reviewed some of the accountability and performance indicators in this report and how the Health Unit has been monitoring these activities. Discussion ensued about some of the items being actively monitored in this report and the scale at which performance targets are set to meet obligations.

It was moved by Mr. Helmer, seconded by Mr. Peer *that the Finance & Facilities Committee receive Report No. 038-16FFC 2016 Public Health Financial & Accountability Agreement Indicators for information.*

Carried

#### 4.5 2017 Revised Budget Parameters ([Report No. 039-16FFC](#))

Dr. Mackie introduced this report and clarified some of the provincial funding increases outlined in this report.

It was moved by Mr. Helmer, seconded by Ms. Vanderheyden *that the Finance & Facilities Committee make recommendation to the Board of Health to revise the previously approved 2017 budget parameters for provincial funding for Mandatory Programs to 1.5%.*

Carried

### **CONFIDENTIAL**

At 10:28 a.m. Chair Fulton invited a motion to move in camera to discuss items regarding identifiable individuals.

It was moved by Mr. Peer, seconded by Ms. Vanderheyden *that the Finance and Facilities Committee move in camera to discuss items regarding identifiable individuals.*

Carried

At 10:50 a.m. it was moved by Mr. Helmer, seconded by Ms. Vanderheyden *that the Finance and Facilities Committee rise and return to public session.*

Carried

At 10:50 a.m. the Finance and Facilities Committee returned to public session.

## **5. OTHER BUSINESS**

Next meeting: Thursday November 3, 2016 at 9:00 a.m.

## **6. ADJOURNMENT**

## MEDICAL OFFICER OF HEALTH ACTIVITY REPORT – OCTOBER

### **Recommendation**

***It is recommended that Report No. 059-16 re: Medical Officer of Health Activity Report – October be received for information.***

The following report highlights activities of the Medical Officer of Health (MOH) for the period of September 8, 2016 to October 7, 2016.

The MOH attended the launch of the new Be Well website and interactive Sprout platform on September 22<sup>nd</sup>. The event included presentations, demonstrations, healthy snacks and even colouring at 4 stations set up in the Middlesex Room. The Be Well website enables staff to access health resources, upcoming Be Well events, Enterprise Community events, health benefit information, Workplace Wellness and Fun Committee news and Sprout. Sprout is an interactive optional tool that helps inspire staff to set wellness goals at home and work by tracking physical activities, providing healthy choice food options, sharing of information between staff such as recipes, helpful hints, new books or fun activities.

The MOH and Middlesex-London Health Unit staff are inMotion! Seventeen teams have registered for the month-long inMotion challenge and are entering their daily physical activity minutes into the Sprout platform.

The Medical Officer of Health and CEO also attended the following events:

- September 9 Met with London Health Sciences Centre staff to tour Youth Opportunity Unlimited's (YOU) Cornerstone Building  
Met with City Councillor Van Holst to discuss safe injection sites and sugar sweetened beverages  
Met with Councillor Cassidy to discuss speaking on the Poverty Panel at The London Club

Was a speaker at the Salvation Army Recovery Rally at the Covent Garden Market
- September 13 Participated in a teleconference call with the COMOHE Executive Committee  
Met with Michael Harkins from London Bridge to continue their conversation about Family Centres  
Met with Michelle Quaye, 1<sup>st</sup> Year Medical Student
- September 14 Attended the London Chamber of Commerce event - Canada's Transportation System = Economic Growth & Jobs  
Met with Peter Rozeluk, Mission Services to discuss needle exchange
- September 15 Attended the United Way Harvest Lunch  
Met with Mojdeh Cox, Ontario Regional Representative – Canadian Labour Congress
- September 19 Attended the Association of Ontario Public Health Business Administrators (AOPHBA) Conference to give welcoming remarks

- Participated on the AM 980 Roundtable Panel  
Was interviewed by Andy Oudman, 1290 CJBK in regards to parental consent for vaccinations
- September 20 Participated in a Community Health Collaborative Champions meeting  
Attended a YOU Executive meeting
- September 22 Attended a YOU Board Meeting  
Attended the Community Drug Advisory Strategy Steering Committee meeting
- September 23 Attended a Community Health Collaborative meeting
- September 26 Delivered a guest lecture to the UWO Ecosystem Health Class  
Interview with London Free Press reporter Debra Van Brenk in regards to the poverty recommendation on free public transit for children 12 and under and the SW School Bus Consortium
- September 27 Participated in the first open meeting for Program Budgeting and Marginal Analysis (PBMA) review of disinvestment
- September 28 Participated in the Council of Ontario Medical Officers of Health (COMOH) General Meeting teleconference
- September 29 Delivered a lecture to the Masters of Public Health – Leading People and Organizations in Public Health class  
Participated in a alPHa Standards Review Group teleconference  
Was guest speaker at the London Area Dental Study Group meeting
- September 30 Delivered a lecture to the MPH class in regards to poverty  
Participated in the News/Talk 1290 CJBK Ask The Experts panel in regards to InMotion
- October 3 Attended the Southwest MOH/CEO Meeting in St. Thomas
- October 5 Met with Mayor Brown to discuss collaboration with the City re sugary drinks
- October 6 Attended the Finance and Facilities Committee meeting  
Attended the World Homeless Action event at Covent Garden Market  
Participated by telephone for the COMOH Board of Directors meeting  
Attended the Centre for Research on Health Equity and Social Inclusion (CHRESI) Board meeting
- October 7 Met with Kelly Ziegner, CEO for United Way of London and Middlesex  
Was interviewed by Jennifer O'Brian, London Free Press in regards to the Nurse-Family Partnership  
Was interviewed by Jamal Al-Busar, X-FM Fanshawe, in regards to poverty and homelessness in London  
Met with Orest Katolyk, Chief Municipal Law Enforcement Officer for the City of London to discuss policy options that the City might consider to address sugar sweetened beverages

This report was prepared by Lynn Guy, Executive Assistant to the Medical Officer of Health.

Christopher Mackie, MD, MHSc, CCFP, FRCPC  
Medical Officer of Health
