GOVERNANCE MANUAL

SUBJECT: By-laws, Policy and Procedures	POLICY NUMBER:	G-000
SECTION: Board of Health	PAGE:	1 of 5
IMPLEMENTATION: November 17, 2016	APPROVAL: Board of Health	
SPONSOR: MOH / CEO	SIGNATURE:	
REVIEWED BY: Governance Committee	DATE:	

PURPOSE

The Middlesex-London Health Unit (MHLU) is committed to providing a consistent approach to effective, open, and supportive systems of governance and management. The purpose of this policy is to outline the process for the development and review of the policies contained within the Health Unit's Governance and Administration Manual.

POLICY

All by-laws and policies at the Middlesex-London Health Unit must:

- Reflect the goals and values of MLHU and the Board of Health;
- Comply with relevant legislation and regulations;
- Be specific and clearly worded;
- Be relevant to the current and future needs of the MLHU and the Board of Health;
- Follow the prescribed development and review process (Appendix A);
- Be published according to MLHU policy standards (Appendix B); and
- Undergo biannual review.

PROCEDURE

Middlesex-London Health Unit Governance and Administration Manual shall include:

Governance By-laws and Policies

The Board of Health is responsible for the Health Unit's governance by-laws and policies. These represent the principles that set the direction, limitations and accountability frameworks for MLHU. Governance by-laws relate to management of property, banking and finance, proceedings of the Board of Health, and duties of the auditor. Governance policies relate to strategic direction, leadership and Board management, program quality and effectiveness, financial and organizational accountability, Board effectiveness and communications and external relations.

Administrative Policies & Procedures

The Senior Leadership Team is responsible for the Health Unit's administrative policies. These policies align the procedures for managing MLHU and establish efficiency, consistency, responsibility and accountability. Administrative policies relate to general administration, property, finance, human resources, records and privacy, information technology, health and safety, and communications.

Policy	Brief statement(s) that clearly set out Board of Health and/or Health Unit principles and rules with respect to a particular matter to provide the organization with a specific direction.
Procedure	Clear, high-level description of responsibilities and steps to implement the policy. Separate from program guidelines, plans and/or manuals. Note: often legislation will require the employer to create both a policy and a program to address a specific issue (e.g., fit testing). Program details are best outlined separate from written policy, and made available to staff on the intranet or in standards, protocols or guidelines.

Standards, Protocols and Guidelines

Where the policy and procedure does not provide sufficient detail to operationalize the policy across the organization, division or team standards, protocols and guidelines may be developed to ensure that the policy is enacted and practiced across the organization. The Middlesex-London Health Unit Governance and Administration Manual does not include standards, protocols or guidelines that further operationalize policies and procedures at the divisional or team level. These are developed at the sole discretion of Directors and Program Managers who are responsible for the standards, guidelines and protocols that apply specifically to the work of their divisions and team. These must align with all established administrative policies, procedures, standards, protocols and guidelines.

Standards	Establishes the acceptable level of quality with quantifiable low level mandatory controls.
Protocols	A protocol is a step by step descriptive guideline to achieve completion of a task and is to be followed in letter and spirit in all circumstances.
Guidelines	Provide additional recommended guidance to implement programs and services or to adhere to administrative policies and procedures.

Medical Directives

The Middlesex-London Health Unit Governance and Administration Manual does not include medical directives which apply to a specific patient population who meet specific criteria. A medical directive is role specific (e.g., Nurse Practitioner, Registered Dietician, Registered Nurse) not person specific and users within the role must possess the necessary knowledge, skill and judgment before implementing a medical directive.

- Given in advance to enable an implementer to act under specific conditions without a direct assessment by the physician.
- Implementers are not ordering a procedure when they implement a directive; rather they are implementing a physician's order.
- Must have the integrity of a direct order, thus physicians potentially responsible must approve it.

- Is approved only when all affected regulated professionals and relevant administrators participate in their development.
- Is always written and has essential components.

Policy Development

Governance policy development can be initiated by the Board of Health. The Senior Leadership Team may also provide recommendations regarding governance policies to the Board of Health for consideration.

Administrative policy development can be initiated by the Medical Officer of Health and Chief Executive Officer and/or the Senior Leadership Team. Additionally, an administrative policy development and revision form (Appendix C) can be submitted by a member of the Non-union Leadership Team for consideration and direction from the Senior Leadership Team.

For both governance and administrative policy development, the Senior Leadership Team will determine the assignment of responsibility for development of the policy, the consultation process and timelines. The consultation and development process will include input from the Manager of Strategic Projects, the policy sponsor(s), content expert(s) and additional stakeholders, as required.

Standard, protocol and guideline development can be initiated in response to a specific need. It is recommended that standards, protocols and guidelines align with administrative policies and serve as appendices to organization-wide policies rather than stand-alone documents.

Policy Review

Policies contained within the Administration Manual will be reviewed at a minimum of every two years (biannually) or as needed, based on changing legislation or organizational needs.

The Manager of Strategic Projects is responsible for the biannual review and will coordinate policy workgroups (where appropriate) to ensure that review of each policy occurs according to this cycle.

Review and revision of governance policies can be initiated at any time by the Board of Health or, as recommended to the Board of Health by the Senior Leadership Team.

Administrative policy review and revision can also be initiated at any time by a member of the Senior Leadership Team or the Non-union Leadership Team. Review and revision from the Non-union Leadership Team should be submitted through a policy development and revision form (Appendix C) to the Manager of Strategic Projects who will then submit it to the senior leadership team.

For both governance and administrative policy development, the Senior Leadership Team will determine the assignment of responsibility for development of the policy, the consultation process and timelines. The consultation and development process will include input from the

Manager of Strategic Projects, the policy sponsor(s), content expert(s) and additional stakeholders, as required.

All changes to policy should be tracked in the development and revision form (Appendix C) to streamline consideration and approval.

The most recent review date will be listed on each policy in addition to the original implementation date. Each revision date is listed after the previous revision date(s).

Policy Approval

Governance policies can only be approved by the Board of Health. New or revised policies will be ratified by the signature of the current Board of Health Chair.

The Senior Leadership Team will approve all new or revised administrative policies that pertain to the operational management of the Health Unit, except where Board of Health approval is also required. New or revised policies will be ratified by signature of the Medical Officer of Health and Chief Executive Officer.

Standards, protocols and guidelines will be approved and ratified by signature of Divisional Directors and are to be reviewed regularly for alignment with organizational policies.

Policy Distribution and Retention

The Manager of Strategic Projects is responsible for ensuring the Administration Manual is posted on the MLHU Intranet, and that all new policies and revisions are communicated to staff.

Withdrawn Policies

The Manager of Strategic Projects, in consultation with sponsors and/or content experts will recommend policies to be withdrawn from the agency manual to the appropriate approval body. The Manager of Strategic Projects will maintain a copy of withdrawn policies including their withdrawal date, the reason for withdrawal, and the appropriate signature.

Administrative Manual Archiving

The Manager of Strategic Projects will ensure that each change to the Administrative Manual is tracked and that copies of each revision are kept to protect against potential future litigation.

The process for Administration Manual distribution, policy withdraws and archiving can be found in Appendix D.

- (b) "Board" means the Board of Health for the Middlesex-London Health Unit;
- (c) "Chair" means the person presiding at the meeting of the Board;
- (d) "Chair of the Board" means the Chairperson elected under Section 57(2) of the Act;
- (e) "City" means the Corporation of the City of London;
- (f) "County" means the Corporation of the County of Middlesex;
- (g) "Committee" means a committee of the Board, but does not include the Committee of the Whole;
- (h) "Committee of the Whole" means all the members present at a meeting of the Board sitting in Committee;
- (i) "Council" means the Council of the City of London and/or the Council of the County of Middlesex;
- (j) "Majority" means a simple majority of members present;
- (k) "Meeting" means a meeting of the Board;
- (l) "Member" means a member of the Board;
- (m) "Quorum" means a majority of the members of the Board;
- (n) "Secretary-Treasurer" means the Secretary-Treasurer as defined in Policy G-270 as may be amended, from time to time.
- (o) "In-camera" means deliberations of the Board are closed to the public and the media.

1.0 General

- 1.1 In all the proceedings at or taken by this Board the following rules and regulations shall be observed and shall be the rules and regulations for the order and dispatch of business at the Board, and in the Committees thereof.
- 1.2 Except as herein provided, Robert's Rules of Order shall be followed for governing the proceedings of the Board and the conduct of its members.
- 1.3 A person who is not a member of the Board shall not be allowed to address the Board except upon invitation of the Chair or the members.

2.0 Convening Meeting

- 2.1 The regular meetings shall be held at a date and time as determined by the Board at its first regular meeting of the year.
- 2.2 The Board may, by resolution, alter the time, day or place of any meeting.

3.0 Special Meetings

- 3.1 A special meeting may be called by the Chair of the Board of Health.
- 3.2 Any three Board members by written communication to the Secretary-Treasurer may initiate a special meeting.
- 3.3 A special meeting shall not be summoned for a time which conflicts with a regular meeting or a meeting previously called of the Council(s) of the City of London and/or the County of Middlesex.

4.0 Notifying Board Members of Meetings

- 4.1 The Secretary-Treasurer shall give notice of each regular and special meeting of the Board and of each Committee to the members thereof.
- 4.2 The notice shall be accompanied by the "Agenda" and any other matter, so far as known, to be brought before such meeting.
- 4.3 The notice shall be delivered by electronic mail to each member so as to be received no later than five days prior to the scheduled Board meeting.
- 4.4 Lack of receipt of the notice shall not affect the validity of holding the meeting or any action taken thereat.
- 4.5 The notice calling a special meeting of the Board shall state the business to be considered at the special meeting and no business other than that stated in the notice shall be considered at such meeting except with the unanimous consent of the members present and voting.

5.0 Notifying the Public of Board Meetings

- 5.1 The Board shall give reasonable notice to the public of every of its meetings by posting in a publicly accessible location and by publishing on its website or any other print or electronic medium of mass communication:
- (a) the date, time and location of the meeting;
 - (b) a clear, comprehensive agenda of the items to be discussed at the meeting.

6.0 Meetings Open to the Public

- 6.1 The Board shall ensure that its meetings are open to the public except where a closed meeting is permitted by law. See Item 7.0 re Convening In-Camera (Closed) Meeting(s).

7.0 Convening In-Camera (Closed) Meeting(s)

- 7.1 Pre-requirements for in-camera sessions

Before holding a meeting or part of a meeting that is closed to the public, the Board shall state by resolution,

- (a) the fact of the holding of the closed meeting and the general nature of the matter to be considered at the closed meeting; or
- (b) in the case of a meeting for education or training, the fact of the holding of the closed meeting, the general nature of its subject-matter and that it is to be closed under that subsection.

- 7.2 Criteria for in-camera meetings

In accordance with Section 239 (2) of the *Municipal Act*, R.S.O, as amended, a meeting or part of a meeting may be closed to the public if the subject matter being considered is:

- (a) the security of the property held by the Middlesex-London Board of Health;
- (b) personal matters about an identifiable individual, including Board employees;
- (c) a proposed or pending acquisition of land by the Middlesex-London Board of Health;
- (d) labour relations or employee negotiations;
- (e) litigation or potential litigation, including matters before administrative tribunals, affecting the Middlesex-London Health Unit;
- (f) advice that is subject to solicitor-client privilege, including communications necessary for that purpose; or

- (g) a matter in respect of which a council, Board, committee or other body may hold a closed meeting under another Act.

7.3 Criteria for in-camera voting

A meeting shall not be closed to the public during the taking of a vote, except:

- (a) When item 7.2 permits or requires the meeting to be closed to the public; and/or
- (b) The vote is for a procedural matter or for giving directions or instructions to officers, employees or agents or persons retained under contract of/with the Board.

7.4 In-camera record keeping requirements

The Board shall record without note or comment all resolutions, decisions and other proceedings at a meeting, whether it is closed to the public or not.

8.0 Preparation of the "Agenda"

8.1 The Secretary-Treasurer shall prepare for the use of members at the regular meetings the "Agenda" as follows:

- (a) Call to Order and Declarations of Interest;
- (b) Minutes of Previous Meeting;
- (c) List of Items to be dealt with in open session including delegations;
- (d) List of Items to be dealt with in-camera;
- (e) Other Business from the Floor;
- (f) Date of Next Meeting;
- (g) Adjournment

8.2 For special meetings, the "Agenda" shall be prepared when and as the Chair may direct or, in default of such direction, as provided in the last preceding section so far as applicable.

8.3 The business of each meeting shall be taken up in the order in which it stands on the "Agenda", unless otherwise described by the Board.

9.0 Commencement of Meetings

9.1 As soon as there is a quorum after the hour fixed for the meeting, the Chair or Vice-Chair, or person appointed to act in their place and stead, shall take the chair and call the members to order.

- 9.2 If the person who ought to preside at any meeting does not attend by the time a quorum is present, the Secretary-Treasurer shall call the members to order and a presiding officer shall be appointed by the members present, to preside during the meeting or until the arrival of the person who ought to preside.
- 9.3 If there is no quorum within thirty minutes after the time appointed for the meeting, the meeting shall then adjourn until the next day of meeting unless the Board otherwise decides.
- 9.4 Upon any member directing the attention of the Chair, to the fact that a quorum is not present, the Secretary-Treasurer, at the request of the Chair, shall record the names of those members present and advise the Chair if a quorum is, or is not, present.

10.0 Rules of Debate and Conduct of Members of the Board

- 10.1 The Chair shall preside over the conduct of the meeting, including the preservation of good order and decorum, ruling on points of order and deciding all questions relating to the orderly procedure of the meetings, subject to an appeal by any member to the Board from any ruling of the Chair.
- 10.2 Each delegation will be allowed a maximum of 10 minutes, but a member of the Board may introduce a delegation in addition to the speaker or speakers. Normally, a delegation will not be heard on an item unless there is a report from staff on the item.
- 10.4 When a member finds it impossible to attend any meeting, the onus is upon the member to advise the Secretary-Treasurer prior to the holding of such meeting, and to advise of their wishes with respect to having an agenda item tabled.
- 10.5 If the Chair desires to leave the chair for the purpose of taking part in the debate or otherwise, the Chair shall call on the Vice-Chair or another member in their absence, or refusal to fill their place until they resume the chair.
- 10.6 Every member, previous to speaking to any question or motion, shall respectfully address the Chair.
- 10.7 When two or more members ask to speak, the Chair shall name the member who, in their opinion, first asked to speak.
- 10.8 A member may speak more than once on a question, but after speaking shall be placed at the foot of the list of members wishing to speak.
- 10.9 No member shall speak to the same question at any one time for longer than five minutes except upon motion that the Board therefore may grant an extensions of time for speaking of up to five minutes for each time extended.
- 10.10 Any member may request the question or motion under discussion to be read at any time during the debate, but not so as to interrupt a member while speaking.

- 10.11 When a member desires to address the Board upon a matter that concerns the rights or privileges of the Board collectively or of themselves as a member thereof, they shall be permitted to raise such matter of privilege, and a matter of privilege shall take precedence over other matters.
- 10.12 When a member desires to call attention to a violation of the rules of procedure, they shall ask leave of the Chair to raise a point of order and after leave is granted, they shall state the point of order with a concise explanation and then not speak until the Chair has decided the point of order.
- 10.13 Unless a member immediately appeals to the Board the decision of the Chair shall be final.
- 10.14 If the decision is appealed, the Board shall decide the question without debate and its decision shall be final.
- 10.15 When the Chair calls a member to order, they shall immediately cease speaking until the point of order is dealt with and they shall not speak again without the permission of the Chair unless to appeal the ruling of the Chair.

11.0 Motions and Order of Putting Questions

- 11.1 Every motion shall be deemed to be in possession of the Board for debate after it is presented by the Chair, and seconded, but may, with permission of the Board, be withdrawn at any time before amendment or decision.
- 11.2 When a matter is under debate, no motion shall be received other than a motion:
- (a) to accept;
 - (b) to recommend for approval;
 - (c) to approve in principle;
 - (d) to approve;
 - (e) to ratify;
 - (f) to adopt;
 - (g) to amend;
 - (h) * to table;
 - (i) to refer;
 - (j) to receive;
 - (k) * to adjourn the meeting; or
 - (l) * that the vote be now taken.

* these items are to be voted on without debate.

- 11.3 A motion to refer or table shall take precedence over any other amendment.
- 11.4 When a motion that the vote be now taken is presented, it shall be put to a vote without debate, and, if carried by a majority vote of the members present, the motion and any amendments thereto under discussion shall be submitted to a vote forthwith without further debate.
- 11.5 A motion relating to a matter not within the jurisdiction of the Board shall not be in order.

12.0 Voting

- 12.1 Only one amendment at a time can be presented to the main motion and only one amendment can be presented to an amendment, but when the amendment to the amendment has been disposed of, another may be introduced, and when an amendment has been decided, another may be introduced.

- 12.2 The amendment to the amendment, if any, shall be voted on first, then if no other amendment to the amendment is presented, the amendment shall be voted on next, then if no other amendment is introduced, the main motion, or if any amendment has carried, the main motion as amended, shall be put to a vote.
- 12.3 Nothing in this section shall prevent other proposed amendments being read for the information of the members.
- 12.4 When the question under consideration contains distinct propositions, upon the request of any member, the vote upon each proposition shall be taken separately.
- 12.5 After the Chair commences to take a vote, no member shall speak to or present another motion until the vote has been taken on such motion, amendment or subamendment.
- 12.6 Every member present at a meeting of the Board when a vote is taken on a matter shall vote thereon unless prohibited by statute; and, if any member present persists in refusing to vote, they shall be deemed as voting in the negative.
- 12.7 If a member disagrees with the announcement by the Chair of the result of any vote, they may object immediately to the Chair's declaration and require that the vote be retaken.
- 12.8 After any matter has been decided, any member may move for a reconsideration at the same meeting or may give notice of a motion for reconsideration of the matter for a subsequent meeting in the same year, but no discussion of the question that has been decided shall be allowed until the motion for reconsideration has carried, and no matter shall be reconsidered more than once in the same calendar year.

13.0 Minutes

- 13.1 Minutes shall be taken at all regular and special meetings by the Secretary-Treasurer or Designate.
- 13.2 The names of all Board members and Health Unit employees who attend the meeting shall be recorded.
- 13.3 All Board motions shall become effective immediately upon approval, unless otherwise stated. All approved and defeated motions shall be recorded.
- 13.4 There shall be a motion to approve the minutes or amended minutes of each Board meeting.
- 13.5 All Board of Health minutes shall be ratified by signature of the Board Chair and Secretary-Treasurer.

14.0 Adjournment

- 14.1 A motion to adjourn the Board Meeting or adjourn the debate shall be in order, except:
- (a) when a member is in possession of the floor;
 - (b) when it has been decided that the vote be now taken;
 - (c) during the taking of the vote; no second motion to the same effect shall be made until after some intermediate proceedings shall have taken place.

15.0 Communications

- 15.1 Every communication intended to be presented to the Board must be written dated and signed.
- 15.2 Every such communication shall be delivered to the Secretary-Treasurer before the commencement of the meeting of the Board.

16.0 Proceedings on By-laws

- 16.1 Every by-law shall be introduced by a member upon motion for leave specifying the title of the by-law, and a by-law shall not be in form blank or incomplete.
- 16.2 Every by-law shall receive three readings at the Board of Health before being passed. The Board may by a majority vote provide for two or more readings at one meeting.
- 16.3 The procedure for approving a by-law or amendments to the by-laws is as follows:
- (a) The motion "this by-law be now read for a first time" shall be decided without amendment or debate;
 - (b) The motion "this by-law be now read for a second time" with debate and decision that the adoption of the by-law follow thereafter;
 - (d) The motion "the by-law be now read for a third time" with resolution that the adoption of the by-law follow thereafter.
- 16.4 All amendments made at the Board of Health shall be reported by the Chair thereof to the Board which shall receive the same forthwith without debate.
- 16.5 The Secretary-Treasurer shall endorse on all by-laws read at the Board the dates of the several readings and of the passing thereof and shall be responsible for the correctness of such bills should they be amended.
- 16.6 Every by-law which has been passed by the Board shall be sealed with the seal of the Board, signed by the Chair of the Board or by the Chair of the meeting at which the by-law was passed and by the Secretary-Treasurer and deposited with the Secretary-Treasurer for custody.

16.7 All by-laws adopted by the Board shall be kept in a separate volume.

17.0 Secretary-Treasurer

17.1 It shall be the duty of the Secretary-Treasurer:

- (a) to attend or cause an assistant to attend all meetings of the Board;
- (b) to keep or cause to be kept full and accurate minutes of the meetings of all the Board meetings, text of By-laws and Resolutions passed by it;
- (d) to forward a copy of all resolutions, enactments and orders of the Board to those concerned in order to give effect to the same; and
- (e) to forward all reports of the Board requiring City/County Council approval to the appropriate official so that the same may be considered by the Council at the next regular meeting.

18.0 Elections and Appointment of Committees

18.1 At the first meeting of each calendar year the Board shall elect by a majority vote a Chair, Vice- Chair, and Secretary-Treasurer for that year.

18.2 The Chair of the Board shall be selected for one year with a possible renewal of an additional year. The Chair shall rotate among the City, County and Provincial appointees.

18.3 The Vice-Chair and Secretary-Treasurer shall be elected for a one year term.

18.4 The Secretary-Treasurer function is customarily performed by the Medical Officer of Health / Chief Executive Officer.

18.5 At the first meeting of each calendar year, the Board shall appoint the representative or representatives required to be appointed annually at the first meeting by the Board to other Boards, bodies, or commissions where appropriate.

18.6 The Board may appoint committees from time to time to consider such matters as specified by the Board (e.g., Finance and Facilities, Governance, etc.).

19.0 Conduct of Business in Committees

19.1 The rules governing the proceedings of the Board shall be observed in the Committees insofar as applicable.

19.2 It shall be the duty of the Committee:

- (a) to report to the Board on all matters referred to them and to recommend such action as they deem necessary;

- (b) to forward to the Board the minutes of meetings;
- (c) to forward to the incoming Committee for the following year any matter indisposed of.

20.0 Corporate Seal

- 20.1 The corporate seal of the Board shall be in the form impressed hereon and shall be kept by the Medical Officer of Health / Chief Executive Officer or the Secretary-Treasurer of the Board.

21.0 Execution of Documents

- 21.1 The Board may at any time and from time to time direct the manner in which and the person or persons who may sign on behalf of the Board and affix the corporate seal to any particular contract, arrangements, conveyance, mortgage, obligation, or other document or any class of contracts, arrangements, by-law, conveyances, mortgages, obligations or documents.

PURPOSE

To ensure the development, implementation and review of the strategic plan that outlines the organization's goals and objectives.

POLICY

A strategic plan will be developed in consultation with the Board of Health, staff, stakeholders and community members as appropriate to identify the strategic directions for the Health Unit.

The Strategic Plan will cover a 3 to 5 year timeframe, and will:

- Describe the philosophy/mission, a values statement, and the goals and objectives of the Board of Health;
- Describe how equity issues will be addressed in the delivery and outcomes of programs and services;
- Describe how the outcomes of the Foundational Standard will be achieved;
- Establish policy direction regarding a performance management and quality improvement system;
- Consider organizational capacity; and
- Establish strategic priorities for the organization that address local contexts and integrate local community priorities.

PROCEDURE

Development and Review

The strategic plan will be reviewed annually by management and the Board of Health. Input from Board of Health members, staff, stakeholders and community members will be sought as appropriate.

Revision and Approval

Any proposed revisions to the plan resulting from the annual review process will be finalized by the Directors Committee and presented to the Board of Health for final approval.

Implementation and Evaluation

Upon approval by the Board of Health, the strategic plan will be implemented and evaluated as identified in the agency planning cycle. The Medical Officer of Health / Chief Executive Officer will ensure the strategic plan is implemented. As appropriate, each Division will adapt their operational plans to align with the strategic directions of the plan.

PURPOSE

Governance and management are more effective and efficient when they are separated – the Board being responsible for governance, and the Medical Officer of Health / Chief Executive Officer (MOH / CEO) for management. The Board provides direction to the MOH / CEO, who is responsible for the execution of those directions. This policy outlines the parameters of that authority.

POLICY

As part of its responsibility for providing excellent management, the Board of Health selects and appoints the MOH / CEO and delegates responsibility and authority to the MOH / CEO for the management and operation of The Middlesex-London Health Unit (MLHU). The MOH / CEO is accountable to the Board of Health and is the Board's sole official connection to MLHU management and operations.

The Board provides direction to the MOH / CEO in accordance with policies established by the Board. The MOH / CEO has the authority to manage and direct the business affairs of MLHU except where matters and duties must be performed or transacted by the Board according to law, MLHU by-laws, or other statutes.

PROCEDURE

The MOH / CEO is required to follow the direction of the Board as received through the Chair. Only decisions that have been made by the Board, when acting as a body, are binding on the MOH / CEO. Situations may arise whereby the Board of Health and the MOH / CEO are issued directives from the Chief Medical Officer of Health. The Board of Health or MOH / CEO that is served with a directive under the Health Protection and Promotion Act shall comply with all orders.

The MOH / CEO will report, and be responsible, to the Board for implementing the strategic plan, management of property, banking and finance, and day-to-day operations of MLHU.

Specifically, the MOH / CEO will ensure:

- MLHU operations are conducted and that client care is provided in accordance with MLHU by-laws and policies established by the Board and all applicable legislation;
- Ensure that MLHU practices are undertaken prudently, lawfully and in an equitable manner congruent with commonly accepted business practices and professional ethics;

- Ensure that MLHU assets are protected, adequately maintained and not placed at unnecessary risk;
- Ensure that Board-approved strategic priorities are reflected in the allocation of resources;
- Ensure that budgeting is based on generally accepted financial planning practices that balance expenditures in any fiscal year against expected revenues;
- Promote a healthy workplace culture for staff, students and volunteers consistent with the values of MLHU;
- Represent MLHU in the community, government and media in ways that enhance the public image and credibility of MLHU; and
- Perform such duties as outlined in the MOH / CEO position description (Policy G-030 Appendix A).

The MOH / CEO shall also provide support to the Board in the discharge of its responsibilities by ensuring the Board is well-informed and supported in its work.

PURPOSE

This policy identifies the detailed duties and responsibilities of the Medical Officer of Health and Chief Executive Officer (MOH / CEO). The position description provides the foundation for effective performance management of incumbents and for selection and succession planning.

POLICY

The MOH / CEO position is essential for the overall success of the Middlesex-London Health Unit (MLHU) in achieving compliance with Ontario Public Health Standards, Ontario Public Health Organizational Standards, Public Health Financial and Accountability Agreements and ensuring that MLHU is meeting its strategic objectives.

The Health Protection and Promotion Act (HPPA) outlines the duties of the Medical Officer of Health, but it does not detail the role and responsibility of the CEO. The role of the CEO in guiding the organization in the management and administration of financial resources, community partnerships, public health systems infrastructure, organizational design and strategic planning are integral to the overall success of MLHU.

Title: MEDICAL OFFICER OF HEALTH & CHIEF EXECUTIVE OFFICER		HR Code: NU18 Page: 1 of 5
Salary Range: See Policy G-060 MOH / CEO Compensation	Status: Non-union	
Reports to: Board of Health	Salary Band: N/A	
Original Date Approved: September 1997	Revision Date: April 2000 January 1, 2001 March 16, 2006 October 19, 2006 August 2010 October 2014	
Signature: _____ Chair, Board of Health		
_____ Director, Corporate Services		

Summary:

Based on the Health Protection and Promotion Act (HPPA), the Medical Officer of Health (MOH) reports directly to the Board of Health and is responsible for the strategic leadership of the health unit and management of public health programs and services for the City of London and County of Middlesex as described in the HPPA, its regulations, the Ontario Public Health Standards, Ontario Public Health Organizational Standards, Public Health Financial Accountability Agreements, and any other Legislative Act.

The MOH / CEO acts as the public health medical consultant and the Chief Executive Officer (CEO) accountable to the Board of Health for the achievement of MLHU's mandate to protect and promote health and to prevent disease.

Staff:

Associate Medical Officer of Health & Director, Foundational Standard; Director, Corporate Services; Director, Environmental Health & Infectious Disease; Director, Healthy Living; Director, Healthy Start; Manager, Communications; Executive Assistant to the Medical Officer of Health / Chief Executive Officer.

Medical Officer of Health / Chief Executive Officer

Expectations:

Knowledge of the organization:

The MOH / CEO must have detailed knowledge of all aspects of the organization as a whole in order to carry out the duties of the role.

Decision Making and Responsibility:

This position is responsible for solving problems that are complex and unique. Improper interpretation of Provincial and/or Federal legislation and policies could result in financial loss and legal, health or political impact to the health unit, the province, the public, education and social service agencies, and other interests.

Failure to provide sound advice and guidance to the management team and community with regard to public health matters could result in inappropriate decision-making, the development of ineffective strategies and programs that have significant financial, health and public relations costs to the health unit and the community.

Failure to identify key emerging public health issues and trends to ensure appropriate strategies and programs are in place could result in the health unit being unable to meet health challenges and therefore unable to effectively meet legislated requirements, mandates for health promotion and protection, disease prevention and strategic goals.

Communication:

The MOH / CEO is expected to have excellent verbal and written skills. Regular presentations to and reports for the Board of Health are requirements of the position. As Chair of the Senior Leadership Team, excellent group facilitation skills are necessary.

The position requires liaison and negotiation with external stakeholders, as appropriate. These include the Chief Medical Officer of Health, other provincial government personnel, municipal representatives and personnel from other health units. The MOH / CEO maintains effective and ongoing communication with those served by the Board of Health, as well as key partner agencies including, but not limited to local hospital administrators, LHIN's, academic institutions, family health teams, community health centres and other healthcare institutions.

The MOH / CEO also maintains a profile with the public through regular and ongoing media communications.

Technical knowledge and skills:

The MOH / CEO requires sufficient knowledge, skills and abilities to fulfill the purpose and key responsibilities of the position. This includes the ability to determine the health needs of the populations served by the Board of Health and to lead the health unit to optimally provide for these public health needs.

Leadership skills are considered essential to this position to facilitate engagement with Board members, management, staff, and stakeholders to achieve an alignment of goals, action and resources with the identified public health needs and to communicate effectively to achieve these changes.

A willingness and ability to meet and work with people throughout the health unit area and elsewhere in the province for community engagement and advocacy processes is also required.

Sensory, Physical Demands, and Health and Safety Requirements:

This position is carried out in a standard office setting and potentially may work in a clinical exam setting.

Physical:

- Working after hours is required;
- Significant travel and occasional time away overnight; and
- Potential for periods of prolonged working hours (i.e. public health emergencies).

Mental:

- Required to monitor, read, comprehend and synthesize information from a wide range of sources, determine relevance and application to public health, determine strategic direction required for public health intervention and overall agency strategies and regulatory compliance;
- Needs to identify community health needs and exercise community medicine specialty skill base to effectively provide leadership and direction to staff and advice to the Board of Health;
- Advocate for governance and management core competencies to be identified and met such as Board of Health skill sets and management team competencies;
- Use information to develop health intelligence to be applied to decision-making for public health programs and advocacy for public health policy;
- Manage multiple demands and priorities from the community, government, the Board of Health, including short, medium and long-term deadlines, crisis management, future orientation, change management and ongoing consultation; and
- Leading, developing strategies and making decisions involving major resources of the health unit.

Professionalism and Standards of Performance:

The MOH / CEO is expected to meet all professional standards and follow all applicable legislation requirements under the Health Protection and Promotion Act, Organizational Standards, Public Health Standards, and other relevant legislation and protocols.

Medical Officer of Health Duties:

- Maintain compliance to all legislative components of the HPPA or any other relevant legislation to ensure the achievement of the Ontario Public Health Standards (OPHS), Ontario Public Health Organizational Standards (OPHOS) and the Public Health Financial and Accountability Agreements (PHFAA).
- Keep informed of population health needs as well as the most effective and appropriate means of addressing these concerns in accordance with HPPA, OPHS, OPHOS, and PHFAA. This requires that the MOH / CEO maintain an awareness of the most useful information sources, monitors them, interprets, and synthesizes information in order to determine changes required in health unit programming or action for healthy public policy advocacy.
- Work in collaboration and provide leadership to the Board of Health, health unit management and staff, partner agencies, the community and broader public health community. The MOH / CEO has the ability to create opportunities to speak out on an ongoing basis regarding public health matters.

Medical Officer of Health / Chief Executive Officer

- Ensure optimally functioning systems are in place for population health surveillance and assessment, operational planning, program monitoring, evaluation and implementation of improvements based on evaluation findings and program delivery.
- Work effectively with colleagues (other health units, Ministry of Health and Long-Term Care and Municipal Governments) to safeguard and enhance the public health system.
- Participate in the education and mentoring of public health professionals, and students/trainees through a range of education forums.
- Maintain effective relations and communication with the Chief Medical Officer of Health (CMOH) and other personnel within the Ministry of Health and Long-Term Care and other provincial agencies. As part of these relationships the MOH / CEO seeks consultation and provides input and information into matters of mutual interest. The MOH / CEO defers authority to the CMOH as required by the HPPA.

Chief Executive Officer Duties:

- Accountable to the Board of Health for the management of public health programs. Staff report to the MOH / CEO and the MOH / CEO in turn reports to the Board on program delivery as well as population health needs and issues, program delivery and financial and human resources matters.
- Responsible for all aspects of resource management. These include the management of financial resources as well as human resources. The MOH / CEO shall appoint an individual(s) to carry out responsibilities assigned to them by the Board of Health.
- Responsible for the care and maintenance of all properties as required by the Board and the keeping of an inventory of all properties possessed by the Board and shall update this inventory list annually. Additionally, pursuant to the HPPA and the terms of any leasing or rental agreements, the MOH / CEO responsibilities include, but not be limited to, the replacement of, or major repairs to, capital items such as the heating, cooling, and ventilation systems; roof and structural work; plumbing; lighting & wiring; the maintenance and repair of the parking areas and the exterior of the building; the care and upkeep of the grounds of the property; the cleaning, maintaining, decorating and repairing of the interior of the building; and the maintenance of up-to-date insurance including both property and personal liability coverage, fire, theft, malpractice, errors and omissions and automobile insurance.
- In collaboration with management and staff, the MOH / CEO develops the annual budget for consideration, input and approval of the Board of Health.
- Prepare financial and operating statements for the Board in accord with established Ministry policies indicating the financial position of the Board with respect to the current operations; act as custodian of the books of account and accounting records of the Board required to be kept by the laws of the Province; in conjunction with the Auditor, arrange for an annual audit of all accounting books and records; report to the Board on all financial and banking matters; and perform other duties as the Board may direct.
- Ensure the development, implementation and regular review of Board of Health by-laws, policies and administrative policies and procedures.
- Responsible for ensuring that systems are in place to fulfill the PHFAA as signed by the Board of Health and the Ministry of Health and Long-Term Care.
- Maintain compliance with HPPA, OPHS, OPHOS and PHFAA.
- Maintain a positive public image for the health unit and positive and effective working relations with partner organizations by ensuring that there are optimal systems for the management of media communications and for effective partnership collaboration.

Medical Officer of Health / Chief Executive Officer

- Act of the primary spokesperson for the agency on all matters of public health significance.

Qualifications

The MOH / CEO must be a physician appointed by the Board of Health and the Minister of Health and Long-Term Care, and based on the HPPA is required to have the following credentials:

- License to practice medicine in the Province of Ontario;
- A fellowship in community medicine from The Royal College of Physicians and Surgeons of Canada;
- A minimum of five years experience in community medicine practice.
- A certificate, diploma or degree from a university in Canada that is granted after not less than one academic year of full-time post-graduate studies or its equivalent in public health comprising:
 - Epidemiology;
 - Quantitative methods;
 - Management and administration;
 - Disease prevention and health promotion; or
 - Qualification from a university outside Canada that is considered by the Minister of Health and Long-Term Care to be equivalent.

Additionally, the MOH / CEO position requires the following experience:

- Senior management experience of at least seven (7) years in public health;
- Eligible for appointment to the University of Western Ontario, Faculty of Medicine;
- Proven leadership ability;
- Experience in business and risk management would be an asset; and Master's Degree in Business Administration or Finance would be an asset.

GOVERNANCE MANUAL

SUBJECT: MOH / CEO Performance Appraisal	POLICY NUMBER:	G-050
SECTION: Leadership and Board Management	PAGE:	1 of 2
IMPLEMENTATION: November 17, 2016	APPROVAL:	Board of Health
SPONSOR: Medical Officer of Health	SIGNATURE:	
REVIEWED BY: Governance Committee	DATE:	November 17, 2016

PURPOSE

An essential part of determining the health unit's performance is the assessment of the Medical Officer of Health and Chief Executive Officer (MOH / CEO). The MOH / CEO is accountable to the Board of Health for leading the health unit and implementing Board direction and decisions. The MOH / CEO also manages all aspects of the health unit's operations.

POLICY

The performance appraisal is a systematic process to support and assess job performance in relation to established criteria and organizational objectives. The evaluation should not only highlight the achievement of desired outcomes but reflect how well the outcomes were achieved. It should emphasize how the MOH / CEO's performance reflects the health unit's values, vision, mission, mandate and policies and contributed to the achievement of the strategic goals.

It is one of several processes used by the Board and the MOH / CEO to negotiate, articulate and review progress in meeting agreed upon performance standards and expectations.

PROCEDURE

The Medical Officer Performance Appraisal Process can be found in Appendix A.

Additional tools are also available to assist with the performance appraisal process including:

MEDICAL OFFICER OF HEALTH AND CHIEF EXECUTIVE OFFICER PERFORMANCE APPRAISAL PROCEDURE

PRINCIPLES

1. An essential part of determining the health unit's performance is the assessment of the Medical Officer of Health and Chief Executive Officer (MOH / CEO). The MOH / CEO is accountable to the BOH for leading the health unit and for implementing its decisions. The MOH / CEO leads and manages all aspects of the Health Unit's (HU) operations.
2. The performance appraisal is a systematic process to support and assess job performance in relation to established criteria and organizational objectives. The evaluation should not only highlight the achievement of desired outcomes but reflect how well the outcomes were achieved. It should emphasize how the MOH / CEO's performance reflects the health unit's values, vision, mission, mandate and policies and contributed to the achievement of the strategic goals.
3. It is one of several processes used by the Board and the MOH / CEO to negotiate, articulate and review progress in meeting agreed upon performance standards and expectations.

AREAS OF FOCUS

1. **Program Excellence** – This area reflects on how the MOH / CEO has influenced the impact the HU has on: population health measures; the use of health status data; evidence-informed program decision making; delivery of mandated and locally needed public health services as measured by the accountability indicators
2. **Client and Community Impact** – This area reflects on the MOH / CEO's representation of the HU in the community
3. **Employee Engagement and Learning** – This area reflects on how the MOH / CEO has influenced the HU's organizational capacity, climate and culture and the contribution made to enabling engaged and empowered staff; thoughtful and responsive leadership and organizational structures that support decision-making, innovation and learning
4. **Governance** – This area reflects on how the MOH / CEO has influenced the alignment of management methods and systems to ensure appropriate structures and resources are in place to achieve the HU's mission and vision. This area also reflects on the MOH / CEO's responsibility for actions, decisions and policies that impact the HUs ability to achieve the requirements as set out under the strategic plan, the Ontario Public Health Organizational Standards (OPHOS), other funder requirements and direction provided by the Board of Health

KEY STEPS

1. The Governance Committee of the Board of Health is responsible to strike a performance appraisal sub-committee made up of members of the Governance Committee and/or other Board of Health Members as may be deemed appropriate.
2. The sub-committee reviews and approves the appraisal tool.
3. The performance appraisal includes:
 - a. A summary and assessment of performance for the previous review period; and
 - b. The establishment of goals for the coming review period.
4. The performance appraisal is typically initiated in the first quarter of each year. Results are presented to the Board of Health before the end of the second quarter. This timing allows the results of the current years planning and year-end outcomes to be considered.
5. The performance appraisal form (Appendix A) is completed by the sub-committee based on the following inputs:
 - a. Goals and targets to be achieved as articulated in the previous performance appraisal (where applicable), the strategic plan, the OPHS, OPHOS and other direction provided by the Board of Health.
 - b. Evidence provided by the MOH / CEO, which includes a completed copy of the same performance appraisal form, specified required reports and may include other reports as deemed relevant by the MOH / CEO.
 - c. Key informant feedback is collected using standardized questions (appended) with:
 - i. Two Board of Health members, chosen by the sub-committee;
 - ii. Two direct reports of the MOH / CEO, chosen by the sub-committee;
 - iii. Two external stakeholders from two of the following sectors.
 1. Public health
 2. Health care; and
 3. Municipal.

The stakeholders selected to provide feedback are chosen by the sub-committee from a list of at least three names for each sector provided to them by the MOH / CEO.
 - d. Their observed behavior of the MOH / CEO; and
 - e. A meeting with the MOH / CEO to discuss preliminary findings and to set future goals.
6. The sub-committee provides verbal updates to the Board of Health throughout the process.
7. The sub-committee will determine who will meet with the MOH / CEO to discuss the performance appraisal. This should include the Chair of the Board.
 - a. The MOH / CEO may provide any additional or written comments.
8. Those in attendance at the appraisal meeting, including the MOH / CEO will sign the performance appraisal, acknowledging that the appraisal has been discussed and received by the MOH / CEO.
9. The signed performance appraisal is filed with Human Resources in a sealed envelope.

- a. Only the MOH / CEO and Chair of the Board may access the sealed document.

Note – Please refer to the following appendices:

Appendix B	Performance appraisal check-list
Appendix C	Main performance appraisal form to be completed by the appraisers and the MOH / CEO

STAKEHOLDER PROCESS

STAKEHOLDER PROCESS

- 1) Key informant feedback is one of the inputs into the MOH / CEO performance appraisal process. The sub-committee uses standardized questions:
 - i) Two Board of Health members, chosen by the sub-committee;
 - ii) Two direct reports of the MOH / CEO, chosen by the sub-committee;
 - iii) Two external stakeholders from two of the following sectors.
 - (1) Public health
 - (2) Health care; and
 - (3) Municipal.

The stakeholders selected to provide feedback are chosen by the sub-committee from a list of at least three names for each sector provided to them by the MOH / CEO.

- 2) Feedback is collected by telephone, in face-to-face meetings, as logistics allow, or by email. They may be done by the Chair and/or other members as decided by the sub-committee of the Board of Health (i.e., individually or together).
- 3) Those selected to provide feedback are sent an email explaining the process with the questions attached.
 - a) Sample emails are enclosed that can be used as the basis of actual emails to be sent. Modify or personalize the emails as required.
 - b) If the email is being sent to multiple recipients please send the email by “blind carbon copy” (bcc) so that recipients don’t know who the other recipients are.
 - c) Set all out-going emails to return a read or delivery receipt message to the sender.
 - d) Ask recipients to reply to the invitation by a specific date. This allows the sub-committee time to invite others to participate if the initial recipients are unable or unwilling to participate.
 - e) You may choose to encourage either a phone or face-to-face meeting with some stakeholders as often stakeholders do not return completed surveys.

Sample email

The Board of Health of the Middlesex- London Health Unit is in the process of completing the annual performance review of Dr. Christopher Mackie, the Medical Officer of Health and Chief Executive Officer (MOH / CEO).

As part of this process we ask two Board of Health members that are not part of the sub-committee responsible for conducting the performance appraisal to provide feedback.

To that end we would like to invite you to provide your feedback as part of our performance appraisal process this year.

Completion of these questions takes 45 - 60 minutes. It can be done face-to-face, by phone or by email, depending on what works best for you. The standardized questionnaire is attached.

Participation in the process is confidential. The MOH / CEO will not know who was interviewed. Answers are summarized on a general performance appraisal form and all feedback responses will be destroyed.

Please let me know your preferred method of providing feedback. We hope to have all of the feedback completed by **insert date**.

If you have any questions or comments, please contact me by reply email or at **insert phone number**.

Thank you in advance for your input into the MOH / CEO performance appraisal process.

POLICY NUMBER: G-160

IMPLEMENTATION:

REVIEWED BY: Governance Committee

APPROVAL: Board of Health

PURPOSE

The Jordan's Principle policy ensures that First Nations children do not experience denials, delays or disruptions of public services that would ordinarily be available to other children due to jurisdictional disputes. This policy is fundamental in achieving equitable treatment of First Nations children relative to other Canadian children.

POLICY

Jordan's Principle is an essential mechanism for protecting the human, constitutional and treaty rights of First Nations children. This policy helps to redress the legacy of residential schools and advance the process of Canadian reconciliation as outlined in the Truth and Reconciliation Commission's Call to Action. The Middlesex-London Health Unit shall ensure a child-first approach to jurisdictional funding disputes so as to not prevent or delay First Nations children from accessing available health and social services.

PROCEDURE

Provision of Programs and Services to First Nations Children

When Middlesex-London Health Unit programs and services are requested by First Nations children, the Health Unit shall pay for services for a Status Indian child where that service is available to other children. This service shall be provided without delay or disruption.

Matters that involve Jordan's Principle should be referred to the Medical Officer of Health / Chief Executive Officer for appropriate follow-up, reporting and resolution.

The Health Unit has the option to refer the matter of payment to a relevant jurisdictional dispute resolution table, where appropriate.

Staff Awareness and Education

All Board of Health Members and Health Unit staff should be familiar with Jordan's Principle and must keep it in mind whenever dealing with First Nations patients. By doing so, we can be more aware of the need for Jordan's Principle and the potential challenges that First Nations families face in accessing care for their children.

PURPOSE

The purpose of this policy is to outline the financial signing authority and responsibilities for those who can approve Health Unit financial transactions, both revenue generating and expenditures, purchase orders, expense reports, credit card statements, mileage claims, petty cash vouchers and all other binding agreements on behalf of the Health Unit.

POLICY

This policy applies to all financial commitments made for Health Unit funds, whether charged to a credit card, paid by the staff/Board member, or paid by a cash advance. This policy also applies to purchase orders/requisitions or contractual agreements entered into. Full time staff, part time staff and the Board Chair (or their delegate) are permitted to authorize expenses; contract staff or consultants are not.

Granting Signing Authority

In granting signing authority, the Health Unit is allowing staff to make financial commitments or expenditures on behalf of the organization. Individuals must respect this privilege and abide by this policy or risk having their signing authority revoked or revised. The individual's manager, director or the Associate Director, Finance can report any violations of this policy and recommend appropriate action.

Supporting Documentation

Individuals when committing Health Unit financial resources must do so within the context of the budgets or funding for which they are responsible. It is the responsibility of the individual incurring the expense, as well as the individual authorizing the expense, to ensure all claims are supported by adequate documentation and that the expense is appropriate and in accordance with Health Unit policies. Reimbursements for items of an individual nature are subject to closer scrutiny than regular program expenses.

Approval of Expenses

Approval should only be given when it is confirmed that goods were received in excellent condition and/or services were performed adequately, as stated in the original signed contract and/or purchase order.

POLICY NUMBER: G-200
PAGE: 2 of 4

Signing Authority Structure

Signing authority is automatically vested in the individual at the next higher level of authority in the direct line of reporting. Under no circumstance is the individual submitting the expense permitted to approve their own expense.

Approval Limits

Total Amount of Expense Per Transaction (in CAD, inclusive of taxes & gratuities)	Submitter	Approver
Category A: \$0-\$2,500	Staff	Manager
	Manager	Director
	Director	MOH / CEO
	MOH / CEO	Associate Director, Finance
Category B: \$2,501-\$15,000	Manager	Director
	Director	MOH / CEO
	MOH / CEO	Associate Director, Finance
Category C: \$15,001-\$50,000	Director	MOH / CEO
	MOH / CEO	Associate Director, Finance
Category D: >\$50,000	MOH / CEO	Chair, Board of Health
Category E: Moving expense pre-approval >\$2,000*	Staff	MOH / CEO

**After the moving expenses have been incurred, and are submitted for reimbursement, then categories A-D apply.*

Similar and Related Transactions

Similar and related transactions that would normally be processed concurrently must not be split in order to avoid signing authority levels.

Delegation of Approval Authority

Delegation of approval is permitted during temporary absences of an approver. The delegate must be of an equivalent or higher managerial rank to the approver they are replacing. The approver cannot sign their own expenses. The absence of the approver should be noted beside the delegate's signature. The person that has been delegated signing authority will remain ultimately responsible, and cannot further delegate the responsibility.

Delegation of authority for specific contractual types is provided in the Contractual Services Policy #G-220.

Under no circumstances should an individual allow (or ask) one of their staff to submit an expense that they would subsequently approve as a way of getting around the approval levels outlined in this policy.

Signatures

A list of names, titles and signatures for the Chair, Board of Health, the Medical Officer of Health / Chief Executive Officer, all Directors and all Managers will be maintained by the Finance Department. This complies with Board of Health By-laws.

Controlled digital signatures are permitted when approved by the Finance Department, typically in situations where a workflow process requires electronic signature for document processing/approvals. The approval is based on the network login id. Network logon ids should never be shared between employees.

DEFINITIONS

Adequate Documentation: itemized receipt (original preferred) including total cost of purchase, where possible.

Individual items: mileage, travel, accommodation, meals, staff education, purchases at conferences (books, DVDs, etc).

Contract: Any written or verbal agreement, contract, letter of intent, memorandum of understanding or memorandum of agreement, the provisions of which are binding upon the HU.

Purchasing Contract: Any purchase agreement, blanket order, Contract or purchase order for the acquisition by purchase, lease-back or rental of moveable effects including goods, supplies, equipment and services (including professional consulting services) for any HU purpose .

Expense Reimbursement: A claim by an employee or Board member to recoup for the outlay of personal funds, in procuring goods and/or services needed to conduct the business of the Health Unit. Supporting documentation must be attached.

Approval Authority: Identifies the individual(s) who can bind the organization for financial commitments and to what dollar amount. It can refer to purchase orders, credit card expenses, contracts or any other transactions where the Health Unit is financially liable.

Delegate: A person of an equivalent or higher managerial rank who is designated to act for or represent another person

Committee

PURPOSE

To outline the procedures for negotiating and documenting contractual agreements.

POLICY

A written contract will be negotiated with each provider or recipient of services.

The Board of Health is responsible for the approval of all contracts and agreements and may delegate this authority as specified in the Schedule for Approval of Contracts (Appendix A).

Board approval of contracts is done by resolution.

Unless otherwise specified, documents are to be executed (i.e., signed) by the approving authority of the non-Health Unit contractor/recipient. Documents that are to be executed by the Board of Health are to be signed by any two of the Chair, Vice-Chair or Secretary-Treasurer, unless otherwise required.

This policy applies to contracts for professional services invoiced on a fee for services basis, but does not apply to employment contracts, which are covered under Policy 5-25: Recruitment & Hiring. Professional services contracts are for services that generally are not performed by union employees.

PROCEDURE

Negotiation of the Contract

- The Director/Manager or designate will be responsible for negotiating the contract with the provider/recipient. Where the content of the contract is subject to a provincial policy or standard, the Director/Manager is responsible for ensuring that such policies and standards are followed.
- The Director/Manager will call upon the expertise of Finance and Human Resources, as appropriate to assist in the development, writing and review of the draft contract for services. The Medical Officer of Health / Chief Executive Officer (MOH/CEO) will be consulted as appropriate.
- It is highly recommended that the draft of the contract be submitted for legal review where there is no recent precedent for the contract or where the contract is for a substantial amount of money or involves significant liability.

GOVERNANCE MANUAL

SUBJECT: Contractual Services **POLICY NUMBER:** **G-220**
SECTION: Financial and Organizational **PAGE:** **2 of 3**
Accountability

- A contract, with the exception of short-term contracts, may contain wording that provides for its amendment or early termination.
- All contracts should be fully executed prior to the commencement date for the provision of services.
- All original contracts will be filed with Corporate Services. A copy will be retained by the Director/Manager and by the other party/parties to the contract.

Contract Terms

All contracts will include the following:

- the term of the agreement (start and end dates);
- a description of the services to be provided;
- the rates to be paid for service and the method and frequency of payment;
- requirements for confidentiality;
- liability or consequences for failure to fulfil contract obligations;
- statement that the contracting agency or party is not an employee (and not subject to the applicable law of Ontario relating to employees), agent or partner of the health unit, and is an independent contractor;
- except with short-term contracts provisions for amending the contract or early termination and the processes and results involved;
- the required signatures (i.e. involved parties, witnesses) and the date of each signature;
- licensing and certification requirements for the contracting agency and/or qualifications, training, licensing and certification of the recipient party;
- statement that the written contract is the entire agreement and any verbal agreement(s) are of no force and effect;
- statement that if any provision of contract is determined to be invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision and all other provisions hereof shall continue if full force and effect;
- privacy breach obligations;
- provisions that require the Contractor to pay all employees who are employed by the Contractor to perform services at Middlesex-London Health Unit not less than the Living Wage (see procurement protocols for supplemental details);
- statement regarding how and when notice in contract are to be delivered; and
- statement prohibiting the assignment of services without the express consent of MLHU; and
- except with explicit prior permission of the Board of Health, a statement that the law of Ontario is the applicable law.

A contract may also address the following terms, as appropriate:

- the conditions for the provision of service to the Health Unit, (i.e. who will provide the services, what expenses may be approved for reimbursement, required meetings);
- the nature and type of reporting to the Health Unit and procedures for recording and reporting service (e.g. quarterly reports);
- performance standards;

Accountability

- conditions for liability from losses suffered as a result of the actions, negligence or any conduct of the provider/recipient;
- evidence of general liability and professional liability insurance of a specified amount;
- requirement to audit the provider/recipient's internal control records and documents;
- labour disruption (strike) clauses;
- confirmation that the contractor/recipient has no conflict of interest related to the subject matter of the contract;
- commitment to adhere to the MLHU policies, rules, regulations, procedures and guidelines;
- outline clearly the parties' respective roles and responsibilities with respect to joint appointments under affiliation agreements;
- outline recognition of authorship, ownership and proprietary rights and give direction concerning the retention or destruction of working papers, documents, etc.;
- funding specifications (i.e., any limitations or restrictions on the use or application of funds, whether continuation of the work is dependent on funding or advances of funds that are not spent to provide services, etc.) will be returned to the Health Unit or funder, as appropriate. See Policy 4-060: Grant Applications and Agreements.

Evaluation of Contracts

- Service provision under contract is evaluated informally on an ongoing basis. Periodic review of the contract and its standards will be measured against achievements.
- Variances or discrepancies from contract requirements will be addressed in a timely manner by the Director/Manager that negotiated the terms of the contract and/or the Director of Corporate Services or designate.
- All contracts are evaluated before renewal.

PURPOSE

To ensure that the Middlesex-London Health Unit obtains the best value when purchasing goods, or contracting services and to establish the Protocols for procurement decisions that make use of a competitive process which is open, transparent and fair.

POLICY

The Protocol prescribed in this Policy shall be followed to make a contract award or to make a recommendation of a contract award to the Board of Health. This ensures that the Middlesex-London Health Unit (MLHU) procures the necessary quality and quantity of goods and/or services in an efficient, timely and cost effective manner, while maintaining the controls necessary for a public agency.

The policy encourages an open and competitive bidding process for the acquisition and disposal of good and/or services and the objective and equitable treatment of all vendors.

The policy also ensures the best value possible value is attained for MLHU. This may include, but not be limited to, the determination of the total cost of performing the intended function over the lifetime of the task, acquisition cost, installation, disposal value, disposal cost, training cost, maintenance cost, quality of performance and environmental impact.

PROCEDURE

The procedure to utilize the procurement process is documented in Appendix A: Middlesex-London Health Unit Procurement Protocol.

1.0 PURPOSE

To establish sound policies for procuring supplies and services in a manner that is ethical, transparent and accountable. The following are goals of the procurement process:

- 1) To ensure objectivity and integrity in the procurement process;
- 2) To encourage competition among bidders by using an open, fair and transparent process;
- 3) To ensure fair treatment of all bidders;
- 4) To obtain the best value by ensuring quality, efficiency and effectiveness;
- 5) To be environmentally conscious when procuring goods or services;
- 6) Where beneficial, cooperate with other public sector agencies in order to obtain the best possible value;
- 7) To promote and incorporate wherever possible in procurement activities, the requirements of the Ontarians with Disabilities Act;
- 8) To ensure that living wage is applied to procurement activities;
- 9) To adhere to the Code of Ethics of the National Institute of Governmental Purchasing ;

2.0 GENERAL INFORMATION

- (1) The procedures prescribed in these Protocols shall be followed to make a contract award or to make a recommendation of a contract award to the Board of Health.
- (2) Unless otherwise provided in accordance with the Procurement Protocols, The Director, Corporate Services, or designate and the authorized employees of the Finance department shall be responsible for providing all necessary advice and services required for purchases authorized by these Protocols.
- (3) No purchase of goods and services shall be authorized unless it is in compliance with the Procurement Protocols.
- (4) No purchases shall be divided to avoid any requirements of this policy.
- (5) Departments shall initiate purchases for unique department requirements to ensure that purchases are not duplicated in other departments. When corporate purchasing power is a factor, a corporate contract shall be sought.

2.1 Glossary of Terms

In these Protocols, unless a contrary intention appears,

“agreement” means a formal written legal agreement or contract for the supply of goods, services, equipment or construction;

“award” means the selection by the Health Unit of one or more bidder(s) for acquisition of goods or services. An award may be executed by means of a purchase order, contract record or formal agreement.

- “best value” means the optimal balance of performance and cost determined in accordance with a pre-defined evaluation plan. Best value may include a time horizon that reflects the overall life cycle of a given asset.
- “bid” means a response to a competitive bid solicitation or any other offer to sell goods or services, which is subject to acceptance or rejection.
- “bidder” means a person, corporation or other entity that responds to a competitive bid.
- “bid deposit” means bank drafts, certified cheques, money orders, or bond surety to ensure the successful bidder will enter into a contract.
- “
- “blanket purchase contract” means any contract for the purchase of goods and services which will be required frequently or repetitively but where the exact quantity of goods and services required may not be precisely known or the time period during which the goods and services are to be delivered may not be precisely determined.
- “certificate of clearance” means a certificate issued by an authorized official of the Workplace Safety and Insurance Board certifying that the Board waives its rights under subsection 141(10) of the Workplace Safety and Insurance Act, as amended.
- “conflict of interest” means a situation, real or perceived, that could give a bidder or consultant an unfair advantage during a procurement process.
- means a situation in which financial or personal considerations have the potential to compromise or bias professional judgement and objectivity.
- means a situation where a personal or business interest of a Board Member, Director, and employees of the Health Unit who is involved in the process of procuring goods or services, is in conflict or appear to come into conflict with the interests of the Health Unit.
- “contract” means any formal or deliberate written agreement for the purchase of goods, services, equipment or construction;
- “contract record” is a document which outlines the terms and conditions of the agreement;
- “designate” means the person(s) assigned the duties and responsibilities on behalf or in the absence of the person charged with the principal authority to take relevant action or decision.
- “director” means the head of a specific division of the Health Unit.
- “employee – employer relationship” refers to the definition utilized by the Canada Customs and Revenue Agency.
- “executed agreement” means a form of agreement, either incorporated in the bid documents or prepared by the Health Unit or its agents, to be executed by the successful bidder and the Health Unit.
- “goods and services” includes supplies, materials and equipment of every kind required to be used to carry out the operations of the Health Unit.

- “insurance documents” means certified documents issued by an insurance company licensed to operate by the Government of Canada or the Province of Ontario certifying that the bidder is insured in accordance with the Health Unit’s insurance requirements as contained in the bid documents;
- “irregular result” means that in any procurement process where competitive bids or proposals are submitted and any of the following has occurred or is likely to occur:
- (i) The lowest responsive bid or proposal exceeds the estimated cost or budget allocation;
 - (ii) For any reason the award of the contract to or the purchase from the lowest responsive bidder or proponent is procedurally inappropriate or not in the best interests of the Corporation;
 - (iii) The specifications of a tender call or request for proposal cannot be met by two or more suppliers;
 - (iv) A negotiated result in accordance with section 4.5 of these Protocols; or
 - (v) Concurrence cannot be achieved between the Director and The Director, Corporate Services, or designate regarding the award of contract.
- “irregularities contained in bids” is defined in Appendix “A” and includes the appropriate response to those irregularities;
- “non-compliant” means the response to the bid does not conform to the mandatory or essential requirements contained in the invitation to bid.
- “professional service supplier” means a supplier of services requiring professional skills for a defined service requirement including:
- (i) Architects, engineers, designers, management and financial consultants; and
 - (ii) Firms or individuals having specialized competence in environmental, planning or other disciplines.
- “purchase order” means the purchasing document used to formalize a purchasing transaction with a vendor;
- “purchase requisition” means a written or electronically produced request in an approved format and duly authorized to obtain goods or services;
- “quotation” means a request for prices on specific goods and/or services from selected vendors which are submitted verbally, in writing or transmitted by facsimile as specified in the Request for Quotation;
- “request for expression of interest” is a focused market research tool used to determine vendor interest in a proposed procurement. It may be issued simultaneously with a Request for Qualifications when the proposed procurement is well defined and the purchaser has clear expectations for the procurement.
- “request for information” is used prior to issuing a competitive call as a general market research tool to determine what products and services are available, scope out business requirements, and/or estimate project costs;

- “request for proposal” means a process where a need is identified, but the method by which it will be achieved is unknown at the outset. This process allows vendors to propose solutions or methods to arrive at the desired result;
- “responsible” means a bidder who is deemed to be fully capable, technically and financially, to supply the goods or services requested in the solicitation.
- “responsive” means a bid or offer which correctly and completely responds to all of the requirements of the competitive process.
- “sealed bid” means a formal sealed response received as a part of a quotation, tender or proposal;
- “single source” is a non-competitive procurement method whereby purchases are directed to one supplier even though there is more than one source in the open market.
- “sole source” is a non-competitive procurement method whereby purchases are directed to one source of supply as no other source is qualified or capable of providing the goods or services.
- “supplier” means any individual or organization providing goods or services to the Health Unit including but not limited to contractors, consultants, vendors, service organizations etc.
- “Tender” means a sealed bid which contains an offer in writing to execute some specified services, or to supply certain specified goods, at a certain price, in response to a publicly advertised request for bids;
- “Triggering event” means an occurrence resulting from an unforeseen action or consequence of an unforeseen event, which must be remedied on a time sensitive basis to avoid a material financial risk to the Health Unit or serious or prolonged risk to persons or property;
- “Value Analysis” typically refers to a life cycle costing approach to valuing a given alternative, which calculates the long term expected impacts of implementing the particular option;

2.2 Documentation

- (1) In order to maintain consistency, the Director, Corporate Services, or designate shall provide protocols to Divisions on procurement policies and procedures and on the structure, format and general content of procurement documentation.
- (2) The Director, Corporate Services, or designate shall review proposed procurement documentation to ensure clarity, reasonableness and quality and shall advise the Services Areas of suggested improvements.
- (3) Procurement documentation shall avoid use of specific products or brand names.
- (4) Notwithstanding Subsection 2.2 (3), a Division may specify a specific product, brand name or approved equal for essential functionality purposes to avoid unacceptable risk or for some other valid purpose. In such instances, the Director, Corporate Services, or designate shall manage the procurement to achieve a competitive situation if possible.

- (5) The use of standards in procurement documentation that have been certified, evaluated, qualified, registered or verified by independent nationally recognized and industry-supported organizations such as the Standards Council of Canada shall be preferred.
- (6) Divisions shall:
 - (i) give consideration to the need for value analysis comparisons of options or choices,
 - (ii) if required, ensure that adequate value analysis comparisons are conducted to provide assurance that the specification will provide best value, and
 - (iii) forward the value analysis to Finance for documentation in the procurement file.
- (7) The Manager, Procurement and Operations in conjunction with the Division shall issue bid documents for goods and services. The Finance Department shall give notice of the purchasing procurement documents electronically via the Internet as well as any other means as appropriate.
- 8) These Protocols or any provision of it may be amended by the Senior Leadership Team from time to time as long as, any change(s) is operational in nature and does not significantly alter the intention or goal of the Protocol.

2.3 The Accessibility for Ontarians with Disabilities Act (AODA)

In deciding to purchase goods or services through the procurement process for the use of itself, its employees or the public, the Health Unit, to the extent possible, shall have regard to the accessibility for persons with disabilities to the goods or services.

2.4 Living Wage Considerations

As a living wage employer, competitive procurement processes will include provisions that require the Contractor to pay all employees who are employed by the Contractor to perform services at Middlesex-London Health Unit not less than the Living Wage, as set by Living Wage London. Living wage consideration are only included in procurement activities where contractual services are rendered at the Middlesex London Health Unit on an ongoing basis. Example of these include: janitorial services and security. Please refer to livingwagelondon.ca for additional details.

2.5 Environmental Considerations

In order to contribute to waste reduction and to increase the development and awareness of environmentally sound purchasing, acquisitions of goods and services will ensure that, wherever possible, specifications are amended to provide for expanded use of durable products, reusable products and products (including those used in services) that contain the maximum level of post-consumer waste and/or recyclable content, without significantly affecting the intended use of the product or service. It is recognized that cost analysis is required in order to ensure that the products are made available at competitive prices.

2.6 Summary of Procurement Process

2.6.1 Chart 1 – Procurement Goals

Goal	Description
1. Effective	The extent to which the procurement process is achieving its intend results. The desired outcomes are substantive or quality results as opposed to process results.
2. Objective	The procurement of goods and services made in an unbiased way and not influenced by personal preferences, prejudice or interpretations.
3. Fair	Applying the policies equally to all bidders.
4. Open and Transparent	Is the clarity and disclosure about the process for arriving at procurement decisions. While promoting openness and transparency, the Procurement Protocol should be governed by the legal considerations for confidentiality and the protection of privacy.
5. Accountable	Is the obligation to answer for procurement results and for the way that procurement responsibilities are delegated.
6. Efficient	Measures the quality, cost and amount of goods and services procured as compared to the time, money and effort to procure them.

3.0 NON-COMPETITIVE PURCHASES

3.1 Goals

The primary goals of a non-competitive purchase are to allow for procurement in an efficient and timely manner.

3.2 Requirements

- (1) The item is less than \$5,000;
- (2) The requirement for competitive bid solicitation for goods, services and construction may be waived under joint authority of the appropriate Director and MOH / CEO and replaced with negotiations by the Director, Corporate Services, or designate under the following circumstances:
 - (i) where competition is precluded due to the application of any Act or legislation or because of the existence of patent rights, copyrights, technical secrets or controls of raw material;
 - (ii) where due to abnormal market condition, the goods, services or construction required are in short supply;
 - (iii) where only one source of supply would be acceptable and cost effective;
 - (iv) where there is an absence of competition for technical or other reasons and the goods, services or construction can only be supplied by a particular supplier and no alternative exists;
 - (v) where the nature of the requirement is such that it would not be in the public interest to solicit competitive bids as in the case of security or confidentiality matters;
 - (vi) where in the event of an “*Emergency*” as defined by these Protocols, a requirement exists;
 - (vii) where the requirement is for a utility for which there exists a monopoly.
- (3) When a Director/Manager intends to select a supplier to provide goods, services or construction pursuant to subsection 3.2(2), a written report indicating the compelling rationale that warrants a non-competitive selection will be submitted by the Division to the Board of Health.
- (4) For contracts between \$5,000 and \$49,999, the MOH / CEO awards the contract.
- (5) For contracts of \$50,000 and over the Board of Health approves the contract, unless section 3.3 applies.

3.3 Procurement in Emergencies

- (1) In subsection 3.2(1)(vi) “*Emergency*” includes
 - (i) an imminent or actual danger to the life, health or safety of a member of the Board of Health, volunteer or an employee while acting on the Health Unit’s behalf;
 - (ii) an imminent or actual danger of injury to or destruction of real or personal property belonging to the Board of Health;
 - (iii) an unexpected interruption of an essential public service;
 - (iv) an emergency as defined by the Emergency Plans Act, R.S.O. 1990, Chapter E.9 and the emergency plan formulated thereunder by the Health Unit;

- (v) a spill of a pollutant as contemplated by Part X of the Environmental Protection Act, R.S.O. 1990, Chapter E.19 and,
 - (vi) mandate of a non-compliance order.
- (2) Where, in the opinion of the MOH / CEO or in their absence the Associate Medical Officer of Health, an emergency has occurred,
- (i) the Director, Corporate Services, or designate on receipt of a requisition authorized by a Director and the MOH / CEO or designate may initiate a purchase order in excess of the pre-authorized expenditure limit; and
 - (ii) any purchase order issued under such conditions together with a source of financing shall be justified and reported to the next meeting of the Board of Health following the date of the requisition.

3.4 Direct Negotiations

- (1) Unless otherwise provided in accordance with the Procurement Protocols, goods and services may be purchased using the Direct Negotiation method only if one or more of the following conditions apply:
- (i) the required goods and services are reasonably available from only one source by reason of the scarcity of supply in the market or the existence of exclusive rights held by any supplier or the need for compatibility with goods and services previously acquired and there are no reasonable alternatives or substitutes.
 - (ii) the required goods and services will be additional to similar goods and services being supplied under an existing contract;
 - (iii) an attempt to purchase the required goods and services has been made in good faith using a method other than Direct Negotiation under section 4.0 of these Protocols which has failed to identify a successful supplier and it is not reasonable or desirable that a further attempt to purchase the goods and services be made using a method other than Direct Negotiation.
 - (iv) the goods and services are required as a result of an emergency, which would not reasonably permit the use of a method other than Direct Negotiation.
 - (v) the required goods and services are to be supplied by a particular vendor or supplier having special knowledge, skills, expertise or experience.

4.0 COMPETITIVE PROCESSES

4.1 Request For Proposal

4.1.1 Goals

To implement an effective, objective, fair, open, transparent, accountable, and efficient process for obtaining unique proposals designed to meet broad outcomes to a complex problem or need for which there is no clear or single solution.

4.1.2 Informal Process Requirements

- (1) The Informal Request for Proposal procedure shall be used where:
- (i) the item is less than \$100,000;
 - (ii) the requirement is best described in a general performance specification;

- (iii) innovative solutions are sought; and,
 - (iv) to achieve best value, the award selection will be made on an evaluated point per item or other method involving a combination of mandatory and desirable requirements.
- (2) Bids are solicited on an invitational basis from a pre-determined bidders list but may be supplemented with public advertising of the procurement opportunity.
 - (3) The MOH / CEO awards the contract.
 - (4) A report to the Board of Health is required if the lowest bid is not accepted.

4.1.3 Formal Process Requirements

- (1) A Formal Request for Proposal procedure shall be used where:
 - (i) the item is greater than \$100,000;
 - (ii) the requirement is best described in a general performance specification;
 - (iii) innovative solutions are sought; and,
 - (iv) to achieve best value, the award selection will be made on an evaluated point per item or other method involving a combination of mandatory and desirable requirements.
- (2) Bids are solicited through an open process that includes public advertising.
- (3) The MOH / CEO is informed when the lowest bid is not being recommended.
- (4) The Board of Health authorizes the award of the contract.

4.1.4 General Process

- (1) The Request for Proposal method of purchase is a competitive method of purchase that may or may not include Vendor pre-qualification.
- (2) A Request for Information or Request for Expression of Interest may be issued in advance of a proposal to assist in the development of a more definitive set of terms and conditions, scope of work/service and the selection of qualified Vendors.
- (3) Where the requirement is not straightforward or an excessive workload would be required to evaluate proposals, either due to their complexity, length, number or any combination thereof, a procedure may be used that would include a pre-qualification phase.
- (4) Finance shall maintain a list of suggested evaluation criteria for assistance in formulating an evaluation scheme using a Request for Proposal. This may include factors such as qualifications and experience, strategy, approach, methodology, scheduling and past performance, facilities, equipment, and pricing.
- (5) Divisions shall identify appropriate criteria from the list maintained by Finance for use in a Request for Proposal but are not limited to criteria from the list. Cost will always be included as a factor, as best value includes both quality and cost.
- (6) The Division shall provide to the Director, Corporate Services, or designate with a purchase request in writing containing the budget authorization, approval authority, terms of reference and evaluation criteria to be applied in assessing the proposals submitted.
- (7) A Selection Committee, comprised of a minimum of one representative from the Division and the Director, Corporate Services, or designate or designate, shall review all proposals against the established criteria, reach consensus on the final rating results, and ensure that the final rating results, with supporting documents, are kept in the procurement file.

- (8) During the proposal process all communication with bidders shall be through Finance.
- (9) The Director, Corporate Services, or designate shall forward to the Director(s) an evaluation summary of the procurement, as well as the Committee's recommendation for award of contract to the supplier meeting all mandatory requirements and providing best value as stipulated in the Request for Proposal. Where the lowest bid is not accepted, the Director is responsible for documenting the determination of best value, in a confidential report to the MOH / CEO prior to award of contract.
- (10) With respect to all Board reports initiated for requests for proposals, the report shall include the sources of financing, summary of major expenditure categories, and other financial commentary as considered appropriate.
- (11) Reporting will not include summaries of bids as this information will remain confidential. Any disclosure of information shall be made by the appropriate officer in accordance with the provisions of the Municipal Freedom of Information and Protection of Privacy Act, R.S.O. 1990.
- (12) Unsuccessful proponents may, upon their request, attend a debriefing session with Finance to review their bid submission. Discussions relating to any bid submissions other than that of the proponent present will be strictly prohibited.
- (13) The Health Unit reserves the right to accept or reject any submission.

4.2 Request For Tender

4.2.1 Goals

To implement an effective, objective, fair, open, transparent, accountable and efficient process for obtaining competitive bids based on precisely defined requirements for which a clear or single solution exists.

4.2.2 Requirements

Request for Tender procedures shall be used where:

- (i) the item is greater than \$100,000;
- (ii) the requirement can be fully defined; and,
- (iii) best value for the Board of Health can be achieved by an award selection made on the basis of the lowest bid that meets specifications.

4.2.3 General Process

- (1) The Director or designate shall provide to the Director, Corporate Services, or designate a purchase request in writing containing the relevant specifications, budget authorization, approval authority and terms and conditions for the purchase of goods, services or construction.
- (2) The Director, Corporate Services, or designate shall be responsible for arranging public advertising for the procurement opportunity.

- (3) The Director, Corporate Services, or designate shall be responsible for arranging for the public opening of tender bids at the time and date specified by the tender call. There shall be in attendance at that time,
 - (i) Director, Corporate Services, or designate and
 - (ii) At least one representative from the requesting Division(s)
 - (iii) If the Director, Corporate Services, or designate is not available, the MOH / CEO or the MOH / CEO designate may act on their behalf.
 - (iv) The chair of the Board of Health shall be invited
- (4) Finance shall forward to the Director a summary of the bids and recommend the award of contract to the lowest responsive bidder, subject to review by the Director or designate regarding specifications and contractor performance.
- (5) With respect to all Board reports initiated for tenders, the report shall include the sources of financing, summary of major expenditure categories, and other financial commentary as considered appropriate. The Board will approve such contracts.
- (6) The Health Unit reserves the right to accept or reject any submission.

4.3 Request For Quotation

4.3.1 Goals

To implement an effective, objective, fair, open, transparent, accountable and efficient process for obtaining competitive bids based on precisely defined requirements for which a clear or single solution exists.

4.3.2 Requirements

- (1) Request for Quotation procedures shall be used where:
 - (i) the item is greater than \$10,000 but not greater than \$100,000;
 - (ii) the requirement can be fully defined; and,
 - (iii) best value for the Health Unit can be achieved by an award selection made on the basis of the lowest bid that meets specifications.
- (2) Competitive bid solicitation is done primarily on an invitational basis from a pre-determined bidders list but may be supplemented with public advertising of the procurement opportunity.

4.3.3 General Process

4.3.3.1 Informal Quotation Process (Greater than \$10,000 but no greater than \$50,000)

- (1) These protocols are provided to assist a Division should it exercise its authority to purchase goods or services between \$10,000 and \$50,000 without the involvement of the Finance Department. Protocols are organized by objective as follows:

(i) OBJECTIVE 1: Efficiency

Purchases must be for unique Division requirements, and therefore not duplicated in other Divisions, such that Health unit purchasing power or standardization is not a factor in costing. Requirements cannot be split in order to qualify for this process.

(ii) OBJECTIVE 2: Competitive Process

A competitive process is undertaken whereby a minimum of 3 bids is obtained, and the lowest compliant bid is awarded the contract. Care must be taken as to how bids are sought, bidders lists are maintained and how competition is encouraged. Although a minimum of 3 bids is required, an open process without a minimum number of bids will be more competitive, and is encouraged.

(iii) OBJECTIVE 3: Open process

Division needs are communicated to bidders, who are able to bid on goods or services they are qualified to provide. There should be no limitation of bids to an established listing. Divisions should check with the Finance Department to determine if there is an established list of potential relevant service providers that they may have for this purpose. An allowable exception to this, would be where in a formal process a short list was determined as a result of another competitive process (such as RFP), which has a pre-qualifying process to determine a short list.

(iv) OBJECTIVE 4: Transparent process

The process is undertaken based on clear definition of the product or service requirement, and a clear outline of the review and criteria to be undertaken. The decision to choose the low bidder will be based solely on the requirements as documented, the bidder document, and the application of the review criteria. The same decision should be arrived at each time given the same set of facts.

(v) OBJECTIVE 5: Fair process

The process will be fair, such that no action is undertaken by Health Unit staff to allow any given bidder an unfair advantage. This does not however, require Health Unit action to ensure that existing conditions are changed to ensure that any conversion costs from an incumbent to another supplier are ignored in an evaluation – it is in the best interest of the Health Unit to ensure that such “leveling of the playing field” is not required.

(vi) OBJECTIVE 6: Insurance and Risk Management

The Health Unit’s standard Insurance form (if required) must be completed and forwarded to the Director, Corporate Services, or designate for review and input into the Insurance Program. WSIB certificates of clearance (if required) must also be submitted to the Director, Corporate Services, or designate at the commencement of the project and periodically as the work is completed.

(2) The MOH / CEO awards the contract.

4.3.3.2 Formal Quotation Process (\$50,000 to \$99,999)

- (1) The Director or designate shall provide to the Director, Corporate Services, or designate a purchase request in writing containing the relevant specifications, budget authorization, approval authority and terms and conditions for the purchase of goods, services or construction.
- (2) The Division shall be responsible to review the quote submission and verify that all specifications of the quote are met.
- (3) Finance shall forward to the Director a summary of the bids and recommend the award of contract to the lowest responsive quote subject to review by the Director or designate regarding specifications and contractor performance.
- (4) The MOH /CEO awards the contract.
- (6) The Health Unit reserves the right to accept or reject any submission.

4.4 Informal, Low Value Procurement

4.4.1 Goals

To obtain competitive pricing for a one-time procurement in an expeditious and cost effective manner through phone, fax, e-mail, other similar communication method, vendor advertisements or vendor catalogues.

4.4.2 Requirements

- (i) the item is greater than \$5,000 but not greater than \$10,000;
- (ii) the requirement can be fully defined; and,
- (iii) best value for the Health Unit can be achieved by an award selection made on the basis of the lowest bid that meets specifications.

4.4.3 General Process

- (1) A minimum of 3 bids must be received. They may be obtained in a more cost-effective manner such as phone, fax, e-mail and current vendor advertisements or catalogues.
- (2) The Division shall be responsible to ensure that all specifications are met.
- (3) The Division Director may award the contract.
- (4) The Division Director shall forward to the Director, Corporate Services, or designate all relevant procurement documentation including bid summaries to be included in the procurement file.
- (5) The MOH / CEO will be informed, prior to awarding a contract, if the lowest bid/quote is not being accepted.
- (6) The Health Unit has the right to cease negotiations and reject any offer.

5.0 BID AND CONTRACT ADMINISTRATION

5.1 Bid Submission

- (1) Bids shall be delivered in paper form (if required) to the Director, Corporate Services, or designate at the time and date specified in the bid solicitation.
- (2) The opening of bids shall commence shortly after the time specified by the tender call unless the Director, Corporate Services, or designate acting reasonably postpones the start to some later hour, but the opening shall continue, once started, until the last bid is opened.
- (3) Any bids received by the Director, Corporate Services, or designate later than the specified closing time shall be returned unopened to the bidder.
- (4) A bidder who has already submitted a bid may submit a further bid at any time up to the official closing time and date specified by the bid solicitation. The last bid received shall supersede and invalidate all bids previously submitted by that bidder.
- (5) A bidder may withdraw their bid at any time up to official closing time by letter bearing their signature as in his or her bid submitted to the Director, Corporate Services, or designate or designate.
- (6) A tender requiring an appropriate bid deposit shall be void if such security is not received in the manner specified in section 5.5 and if no other bid is valid, the Director, Corporate Services, or designate shall direct what action is to be taken with respect to the recalling of tenders.
- (7) All bidders may be requested to supply a list of all subcontractors to be employed on a project. Any changes to the list of subcontractors or addition thereto must be approved by the Director responsible for the project.

5.2 Lack of Acceptable Responses to Requests

- (1) Where bids are received in response to a bid solicitation but exceed budget, are not responsive to the requirement, or do not represent fair market value, a revised solicitation shall be issued in an effort to obtain an acceptable bid.
- (2) In the case of building construction contracts, where the total cost of the lowest responsive bid is in excess of the budget approved by the Board of Health, negotiations shall be made in accordance with the protocols established by the Canadian Construction Documents Committee.
- (3) The Health Unit has the right to cease negotiations and reject any offer.

5.3 Equal Bids

- (1) If two or more bids are equal and are the lowest bid, the Health Unit will offer an opportunity for the tied bidders to re-bid. Should a tie persist the following factors will be considered:
 - (i) prompt payment discount,
 - (ii) when delivery is an important factor, the bidder offering the best delivery date be given preference,

- (iii) a bidder in a position to offer better after sales service, with a good record in this regard shall be given preference,
- (iv) a bidder with an overall satisfactory performance record shall be given preference over a bidder known to have an unsatisfactory performance record or no previous experience with the Health Unit,
- (v) if (i) through (iv) do not break the tie equal bidders shall draw straws.

5.4 Insufficient Responses to Requests

- (1) In the event only one bid is received in response to a request for tender, the Director, Corporate Services, or designate may return the unopened bid to the bidder when, in his/her opinion, additional bids could be secured. In returning the unopened bid the Director, Corporate Services, or designate shall inform the bidder that the Health Unit may be recalling the tender at a later date.
- (2) In the event that only one bid is received in response to a request for tender, the bid may be opened in accordance with the Health Unit's usual procedures when, in the opinion of the Director, Corporate Services, or designate with consultation with appropriate Director, the bid should be considered by the Health Unit. If, after evaluation the bid is found not to be acceptable, they may follow the procedures set out in Subsection 5.2
- (3) In the event that the bid received is found acceptable, it will be awarded as an Irregular result under Appendix "A" of the Purchasing Protocols.

5.5 Guarantees of Contract Execution and Performance

- (1) The Director, Corporate Services, or designate may require that a bid be accompanied by a Bid Deposit to guarantee entry into a contract.
- (2) In addition to the security referred to in Subsection 5.5 (1), the successful supplier may be required to provide,
 - (i) a Performance Bond to guarantee the faithful performance of the contract,
 - (ii) a Labour & Material Bond to guarantee the payment for labour and materials to be supplied in connection with the contract and,
 - (iii) an irrevocable letter of credit.
- (3) The Director, Corporate Services, or designate shall select the appropriate means to guarantee execution and performance of the contract. Means may include one or more of, but are not limited to, financial bonds or other forms of security deposits, provisions for liquidated damages, progress payments, and holdbacks.
- (4) When a bid deposit is required the Director, Corporate Services, or designate shall determine the amount of the bid deposit which may be 10 per cent of the estimated value of the work prior to bidding or an amount equal to 10 per cent of the bid submitted.
- (5) Prior to commencement of work and where deemed appropriate, evidence of Insurance Coverage satisfactory to the Health Unit's Insurer must be obtained, ensuring indemnification of the Health Unit from any and all claims, demands, losses, costs or damages resulting from the performance of a supplier's obligations under the contract.

- (6) When a performance bond or labour and material bond is required, the amount of the bond shall be 50% of the amount of the tender bid, unless the Director, Corporate Services, or designate recommends and the Board of Health approves a higher level of bonding.
- (7) If the risk to the Health Unit is not adequately limited by the progress payment provisions of the contract, a payment holdback shall be considered.
- (8) A minimum payment holdback of 10 percent is mandatory for all construction contracts.
- (9) The Director, Corporate Services, or designate may release the holdback funds on construction contracts upon:
 - (i) the contractor submitting a statutory declaration that all accounts have been paid and that all documents have been received for all damage claims,
 - (ii) receipt of clearance from the Workplace Safety and Insurance Board for any arrears of Workplace Safety and Insurance Board assessment,
 - (iii) all the requirements of the Construction Lien Act, R.S.O. 1990, being satisfied,
 - (iv) receipt of certification from the Health Unit Solicitor, where applicable, that liens have not been registered, and
 - (v) substantial performance
- (10) The conditions for release of holdback funds provided in Subsection 5.5 (9) apply to other goods or services contracts with necessary modifications.
- (11) The Health Unit is authorized to cash and deposit any bid deposit cheques in the Health Unit's possession which are forfeited as a result of non-compliance with the terms, conditions and/or specifications of a sealed bid.

5.6 Requirement at Time of Execution

- (1) The successful bidder, if requested in the tender document shall submit the following documentation in a form satisfactory to the Health Unit within ten working days after being notified in writing to do so by the Health Unit:
 - (i) executed performance bonds and labour and material bonds;
 - (ii) executed agreement;
 - (iii) insurance documents in compliance with the tender documents;
 - (iv) declarations respecting the Workplace Safety and Insurance Board;
 - (v) certificate of clearance from the Workplace Safety and Insurance Board; and,
 - (vi) any other documentation requested to facilitate the execution of the contract (e.g. proof of required licenses and/or certificates).

5.7 Contractual Agreement

- (1) The award of contract may be made by way of a formal agreement, or Purchase Order.
- (2) A Purchase Order is to be used when the resulting contract is straightforward and will contain the Health Unit's standard terms and conditions.
- (3) A formal agreement is to be used when the resulting contract is complex and will contain terms and conditions other than the Health Unit's standard terms and conditions.

- (4) It shall be the responsibility of the Director or designate with the Director, Corporate Services, or designate and/or the Health Unit's Solicitor to determine if it is in the best interest of the Health Unit to establish a formal agreement with the supplier.
- (5) Where it is determined that Subsection 5.7 (4) is to apply, the formal agreement should be made in accordance to Health Unit Policy 4-90, Contractual Services.
- (6) Where a formal agreement is issued, Finance may issue a Purchase Order incorporating the formal agreement.
- (7) Where a formal agreement is not required, Finance shall issue a Purchase Order incorporating the terms and conditions relevant to the award of contract.

5.8 Contract Amendments and Revisions

- (1) No amendment or revision to a contract shall be made unless the amendment is in the best interest of the Health Unit.
- (2) No amendment that changes the price of a contract shall be agreed to without a corresponding change in requirement or scope of work.
- (3) Amendments to contracts are subject to the identification and availability of sufficient funds within the Board of Health approved operating budget.
- (4) Health Unit staff may authorize amendments to contracts provided that their signing authority level, as outlined in Health Unit policies 4-90, 4-110, has not been exceeded. For clarity, the required authority level is the total of the original contract price plus any amendments.
- (5) Where expenditures for the proposed amendment combined with the price of the original contract exceeds Board of Health approved budget for the project, a report prepared by the Director shall be submitted to the Board of Health recommending the amendment, and proposing the source of financing.

5.9 Contract Review/Renewal

- (1) Where a contract contains an option for renewal, the Director may authorize the Director, Corporate Services, or designate to exercise such option provided that all of the following apply:
 - (i) the supplier's performance in supplying the goods, services or construction is considered to have met the requirements of the contract,
 - (ii) the Director and Director, Corporate Services, or designate agree that the exercise of the option is in the best interest of the Health Unit,
 - (iii) funds are available in the Board of Health approved operating budget to meet the proposed expenditure.
- (iv) a valid business case has been completed.
- (2) The business case shall be authorized by the Director and shall include a written explanation as to why the renewal is in the best interest of the Health Unit and include commentary on the market situation and trend.

5.10 Exclusion of Vendors from Competitive Process

5.10.1 Exclusion of Bidders in Litigation

- (1) The Health Unit may, in its absolute discretion, reject a Tender or Proposal submitted by the bidder if the bidder, or any officer or director of the bidder is or has been engaged, either directly or indirectly through another corporation, in a legal action against the Health Unit, its elected or appointed officers and employees in relation to:
 - (i) Any other contract or services; or
 - (ii) Any matter arising from the Health Unit's exercise of its powers, duties, or functions.
- (2) In determining whether or not to reject a quotation, tender or proposal under this clause, the Health Unit will consider whether the litigation is likely to affect the bidder's ability to work with the Health Unit, its consultants and representatives, and whether the Health Unit's experience with the bidder indicates that the Health Unit is likely to incur increased staff and legal costs in the administration of the contract if it is awarded to the bidder.

5.10.2 Exclusion of Bidders Due to Poor Performance

- (1) The Director shall document evidence and advise the Director, Corporate Services, or designate in writing where the performance of a supplier has been unsatisfactory in terms of failure to meet contract specifications, terms and conditions or for Health and Safety violations.
- (2) The Health Unit may, in consultation with its Solicitor, prohibit an unsatisfactory supplier from bidding on future Contracts for a period of up to three years.

5.11 Single/Sole Source

- (1) The procurement of materials, parts, supplies, equipment or services without competition (See also Section 3.0), is done under exceptional and limited circumstances.
- (2) In circumstances where there may be more than one source of supply in the open market, but only one of these is recommended for consideration on the grounds that it is more cost effective or beneficial to the Health Unit approval must be obtained from the Medical Officer of Health & Chief Executive Officer, and the Director, Corporate Services, or designate prior to negotiations with the single source.
- (3) In the event 5.4 (2) applies and the expenditure will exceed \$50,000, approval must be obtained from the Board of Health prior to negotiations with the single source. The Director or designate shall be responsible for submitting a report detailing the rationale supporting the use of the single source.
- (4) If the Health Unit requires goods, services or equipment deemed to be available from only one source of supply, and where the expenditure will exceed \$50,000, the Director or designate with the concurrence of the Medical Officer of Health & Chief Executive Officer, and the Finance & Operations Officer shall obtain approval from the Board of Health to waive the competitive procurement process.

5.12 Blanket Purchases

- (1) A Request for a Blanket Purchase Contract may be used where:
 - (i) one or more Division repetitively order the same goods or services and the actual demand is not known in advance, or
 - (ii) a need is anticipated for a range of goods and services for a specific purpose, but the actual demand is not known at the outset, and delivery is to be made when a requirement arises.
- (2) Finance shall establish and maintain Blanket Purchase Contracts that define source and price with selected suppliers for all frequently used goods or services.
- (3) To establish prices and select sources, Finance shall employ the provisions contained in these Protocols for the acquisition of goods, services and construction.
- (5) More than one supplier may be selected where it is in the best interests of the Health Unit and the bid solicitation allows for more than one.
- (5) Where purchasing frequently used good or services is initiated by a Division, it is to be made with the supplier or suppliers listed in the Blanket Purchase Contract.
- (6) In a Request for Blanket Purchase Contract, the expected quantity of the specified goods or services to be purchased over the time period of the agreement will be as accurate an estimate as practical and be based, to the extent possible, on previous usage adjusted for any known factors that may change usage.

5.13 Custody of Documents

- (1) The Director, Corporate Services, or designate shall be responsible for the safeguarding of original purchasing and contract documentation for the contracting of goods, services or construction and will retain documentation in accordance to the records retention policy..

5.14 Co-operative Purchasing

- (1) The Health Unit shall participate with other government agencies or public authorities in Co-operative Purchasing where it is in the best interests of the Health Unit to do so.
- (2) The decision to participate in Co-operative Purchasing agreements will be made by the Director, Corporate Services, or designate.
- (3) The policies of the government agencies or public authorities calling the cooperative tender are to be the accepted policy for that particular tender.

5.15 Receipt of Goods

- (1) The Director or designate shall,
 - (i) arrange for the prompt inspection of goods on receipt to confirm conformance with the terms of the contract, and
 - (ii) inform the Director, Corporate Services, or designate of discrepancies immediately.
- (2) The Director, Corporate Services, or designate shall coordinate an appropriate course of action with the Director for any non-performance or discrepancies.

5.16 Receipt of Services

- (1) The Director or designate shall:
 - (i) ensure the performance of the services is maintained in a satisfactory manner and in keeping with the terms of the contract and/or agreement.
 - (ii) Division staff are to document any discrepancies in the performance of services.
 - (iii) Inform the Director, Corporate Services, or designate of poor performance
 - (iv) Inform the Director, Corporate Services, or designate of any breach of contract and/or agreement.

5.17 Reporting to Board of Health

- (1) The Director, Corporate Services, or designate shall submit to the Board of Health an information report each Board of Health meeting containing the details for all contracts awarded that exceed \$50,000 including amendments and renewals. The report shall certify that the awards are in compliance with the Purchasing Protocols.
- (2) The Director, Corporate Services, or designate shall submit annually to the Board of Health an information report containing a list of suppliers for which the Health Unit has been invoiced a cumulative total value of \$100,000 or more in a calendar year. The list shall include total payments.

5.18 Direct Solicitation of Divisions

- (1) Unsolicited Proposals received by the Health Unit shall be reviewed by Director, Corporate Services, or designate.
- (2) Any procurement activity resulting from the receipt of an Unsolicited Proposal shall comply with the provisions of the Procurement Protocols.
- (3) A contract resulting from an Unsolicited Proposal shall be awarded on a noncompetitive basis only when the procurement complies with the requirements of a non-competitive procurement found in section 3.0 above.

5.19 Lobby

- (1) The Health Unit is committed to the highest standard of integrity with respect to the procurement process. Any activity designed to influence the decision process, including but not limited to, contacting board members, consultants and employees for such purposes as meetings of introduction, social events or meals shall result in disqualification of the bidder. The Health Unit will be entitled to reject a bid submission if any representative or bidder, including any parties that may be involved in a joint venture, consortium, subcontractor or supplier relationship, makes any representation or solicitation to any Board of Health member or employee.

5.20 Local Preference

- (1) In accordance with the Discriminatory Business Practices Act as amended, there shall be no local preference given to any bidder when awarding a bid.

5.21 Interference in Procurement Process

- (1) Board members and employees shall not cause or permit anything to be done or communicated to anyone in a manner which is likely to cause any potential bidder to have an unfair advantage or disadvantage in obtaining a contract for goods and services.
- (2) Board members shall separate themselves from the procurement process and have no involvement whatsoever in specific procurements. Board members should not see any documents or receive any information related to a particular procurement while the process is ongoing. Board members who receive inquiries from bidders related to a specific procurement shall immediately direct those inquiries to the Associate Director of Finance.

5.22 Resolution of Questions of Protocol

- (1) Any question involving the meaning or application of these Protocols is to be submitted to the Director, Corporate Services, or designate who will resolve the question.

5.23 Access to Information

- (1) The disclosure of information received relevant to the issue of bid solicitations or the award of contracts resulting from bid solicitations shall be made by the appropriate officers in accordance with the provisions of the Municipal Freedom of Information and Protection of Privacy Act, R.S.O. 1990, as amended.
- (2) All records and information pertaining to tenders, proposals and other sealed bids, which reveal a trade secret or scientific, technical, commercial, financial or other labour relations information, supplied in confidence implicitly or explicitly, shall remain confidential if the disclosure could reasonably be expected to:
 - (i) prejudice significantly the competitive position or interfere significantly with the contractual or other negotiations of a person, group of persons, or organizations;
 - (ii) result in similar information no longer being supplied to the Health Unit where it is in the public interest that similar information continue to be so supplied;
 - (iii) result in undue loss or gain to any person, group, committee or financial institution or agency; or
 - (iv) result in information whose disclosure could reasonably be expected to be injurious to the financial interests of the Health Unit.

5.24 Protocol Amendment

- (1) These Protocols or any provision of it may be amended by the Senior Leadership Team from time to time as long as, any change(s) is operational in nature and does not significantly alter the intention or goal of the Protocols.

6.0 CAPITAL ASSET PURCHASES/IMPROVEMENTS AND DISPOSAL

- (1) All construction, renovations or alterations to leased premises under \$50,000 must be reviewed and approved by the Medical Officer of Health & Chief Executive Officer and the Director, Corporate Services, or designate. Projects over \$50,000 require the authorization of the Board of Health.
- (2) All purchases of computer hardware (including peripheral equipment) and software will be administered by the Manager, Information Technology.
- (3) All purchase of furniture will be administered by the Director, Corporate Services, or designate.
- (4) Finance will be notified upon receipt of all purchases involving capital assets to ensure proper accounting and asset-tracking methods are applied.
- (5) Finance will maintain an inventory of all capital assets that is in accordance to the Public Service Accounting Board guidelines (PSAB) and Generally Accepted Accounting Principles (GAAP).

Disposal of Assets

- (6) All Divisions shall notify the Director, Corporate Services, or designate when items become obsolete or surplus to their requirements. The Director, Corporate Services, or designate shall be responsible for ascertaining if the items can be of use to another Division rather than disposed of.
- (7) Items that are not claimed for use by another Division may be sold. If there is no suitable market, then the item could be considered for donation.

7.0 EXCLUDED GOODS AND SERVICES

The following purchases of good and services are excluded from the Procurement Protocols:

- (1) Purchases under the Petty Cash policy
- (2) Training and Education including:
 - (i) Conferences
 - (ii) Courses

For more details, see Appendix F.

Appendix E

THE “TWO-ENVELOPE” PROCUREMENT PROCESS

The two-envelope approach is used when the purchaser wants to evaluate the technical and qualitative information of a given proposal without being influenced by prior knowledge of the corresponding pricing information. Proposal evaluation is done usually by a team of staff from possibly more than one department who have relevant expertise for making the evaluation.

In the two-envelope approach, each proponent must submit qualitative and technical information in a sealed envelope (envelope one) and pricing information in a second sealed envelope (envelope two). The contents of envelope one are evaluated and scored according to pre-determined criteria such as relevant firm experience, project team's qualifications/experience, personnel time allocation, understanding of scope of work, methodology/thoroughness of approach, quality and completeness of proposal submission, etc.

When the scoring of envelope one is completed, then the pre-determined process for moving to envelope two is followed. In some procurement strategies, a minimum score threshold is in place at envelope one, and only proposals which meet or exceed that threshold are eligible to proceed to the opening of envelope two and subsequent price evaluation. If a proposal is not eligible to proceed to price evaluation, the proponent is disqualified from further consideration and the second envelope is returned to the proponent unopened.

For each proposal where envelope two is opened, the bid price(s) are scored according to the pre-determined process. The particular procurement and evaluation strategy will dictate the process for scoring the price and subsequently taking the scores from the envelope one and envelope two processes into account, resulting in a total evaluated score for the proposal. The total evaluated scores are ranked, and the proposal with the highest ranked score is considered the successful proposal, unless council or the local Board, as applicable, decides otherwise. In the event of a tie, the pre-determined process for handling a tie is followed.

PURPOSE

To outline the roles and responsibilities of the Board of Health as an entity as defined by the Health Protection and Promotion Act, R.S.O. 1990, c. H.7. Additionally, this policy outlines the roles of Board of Health members, the Board of Health Chair, the Vice-Chair and the Secretary-Treasurer.

POLICY

The Board of Health oversees the interpretation, implementation, management and advocacy for the health programs and services described in the Health Protection and Promotion Act and other relevant legislation for persons in the City of London and County of Middlesex.

PROCEDURE

Mandate of the Board of Health

The Board of Health is responsible for public health program and service delivery, including understanding and meeting their communities' health needs and managing the delivery of services and programs. The *Health Protection and Promotion Act* (HPPA) is the primary piece of legislation which describes the role of Boards of Health, outlines the mandated public health activities, and authorizes the Board of Health to provide any other health program or service if the Board of Health is of the opinion that it is necessary or desirable to meet its legislated mandate. There are several other pieces of legislation which refer to Boards of Health; these are outlined in the Ontario Public Health Standards.

The Board of Health is committed to good management practices and an effective organization. All programs delivered by the Board of Health aim to be based on sound evidence, epidemiological principles and a philosophy of achieving results efficiently and with accountability at all levels of the organization.

These primary duties of the Board of Health are carried out through planning and policy development, transparent fiscal management, labour relations and oversight of Health Unit operations. Day-to-day management is the responsibility of the Medical Officer of Health/Chief Executive Officer and senior staff.

The Board of Health shall provide direction to the administration and ensure that the Board remains informed about the activities of the organization regarding:

- Delivery of the Ontario Public Health Standards (including the program, foundational, and organizational standards);

- Organizational effectiveness through evaluation of operational and strategic plans;
- Stakeholder relations and partnership building;
- Research and evaluations, including ethical review;
- Compliance with all applicable legislation and regulations;
- Workforce issues, including changes to the organizational structure, recruitment of the Medical Officer of Health / Chief Executive Officer and any other senior executives;
- Financial management, including procurement policies and practices; and
- Risk management.

Accountability

While the Board of Health is legally accountable to the Minister of Health and Long-Term Care and the people of Ontario through the Health Protection and Promotion Act, the Board also recognizes an implicit accountability to the communities of London and Middlesex.

Role of Board of Health Members and Duties of Officers

Board of Health Member:	The Board of Health for the Middlesex-London Health Unit is comprised of five Provincial Representatives, three Middlesex County Representatives and three City of London Representatives. Provincial Representatives are appointed for a term decided by the Lieutenant Governor in Council and Municipal Representatives are general appointed for the duration of the municipal term. (See Appendix A – Board Member Role Description)
Chair:	As per By-law No. 3 Section 18, the Chair is elected for one year, with a possible renewal of one additional year, and rotates among the three representative bodies. (See Appendix B – Chair and Vice-Chair Position Description).
Vice-Chair:	By-law No. 3 Section 18 stipulates that the Vice-Chair is elected for a one year term. (See Appendix B – Chair and Vice-Chair Position Description).
Secretary-Treasurer:	Traditionally, the Secretary-Treasurer functions have been performed by the Medical Officer of Health and CEO <u>Chief Executive Officer</u> . (See Appendix C – Secretary-Treasurer position description).

Informing Municipalities of Financial Obligations

The Board of Health shall annually give written notice to the City of London and the County of Middlesex regarding:

- The estimated total annual expense that will be required to pay for the Board of Health to deliver the mandatory program and services under the Ontario Public Health Standards.
- The specific proportion of the estimated amount for which each municipality is responsible, in accordance with the agreement respecting the proportion of the expenses to be paid by each municipality.
- The time at which the Board of Health requires payment to be made by each municipality and the amount of each payment required.

Recognition and Access to Collective Agreements

The Board of Health recognizes a) Canadian Union of Public Employees (CUPE) and its Local 401 is the exclusive bargaining agent for all union staff who are not represented by ONA, and b) The Ontario Nurses' Association (ONA) and its Local 36 is the exclusive bargaining agent for unionized staff registered nurses and public health nurses.

Appropriate current collective agreements are provided to employees by their union, and to management by the Director, Corporate Services. Original collective agreements are maintained in the Human Resources Offices. Copies of all current collective agreements are maintained in the Health Unit library and posted on the Health Unit intranet.

Ratification of Collective Agreements

The Board of Health shall ensure that the collective bargaining process with CUPE Local 101 and ONA-Local 36 are completed in a legal and binding manner by following the subsequent process:

- Collective bargaining is successfully undertaken with both parties agreeing and signing a Memorandum of Settlement.
- The Memorandum of Settlement is presented in the form of a confidential Board report to the Board of Health at the next scheduled meeting or specially called meeting at which time the Board, by vote, will agree or disagree with the Memorandum of Settlement.
- If the Board agrees, the union is then notified of the Board's ratification of the Memorandum of Settlement, both by telephone and in writing, by the Director, Corporate Services.
- If the Board does not agree, the union is then notified of the Board's non-ratification of the Memorandum of Settlement, both by telephone and in writing, by the Director, Corporate Services.
- Each union will be responsible for following its ratification procedure and notifying the Director, Corporate Services of the outcome.

The Board of Health and the union must ratify a negotiated contract in order for it to be legally binding and enforceable.

Provision of Services on Aboriginal Reserves

The Board of Health may enter into a one, two or three year written agreement with the council of the band on an Aboriginal reserve within the geographic area of the Health Unit where:

- The Board agrees to provide health programs and services to the members of the band; and
- The council of the band agrees to accept the responsibilities of the council of a municipality within the Health Unit.

Governance Policy Manual – Board Member Role Description

Board Member Responsibilities and Expectations:

Each Board of Health Member has a responsibility to the Middlesex-London Health Unit. Consequently, members must have a strong commitment to the mandate of the Health Unit and be willing to develop an understanding of the services and programs that the Health Unit provides and how the policy decisions of the Board of Health affect these. This requires familiarity with local resources and the changing health needs and trends of the community.

Responsibilities of Members include:

- Acquiring a clear understanding of the fiscal operations and ensuring funds are adequate and responsibly spent;
- Engaging in generative thinking and planning;
- Working effectively within a group, including communicating effectively with other Board Members and staff during Board of Health and Committee meetings;
- Being supportive of the organization's mandate and management's ability to implement strategy;
- Continuing self-education, growth and understanding of public health principles; and
- Representing the Board at Health Unit, public or official functions.

To fulfill the aforementioned responsibilities, it is expected that Board of Health Members:

- Participate in orientation and annual retreats;
- ~~Attend a minimum of 90% of regularly scheduled meetings and special sessions; either in-person, by telephone or other mediums available;~~
-
- Review agenda packages prior to meetings;
- Follow Board of Health by-laws, policies and procedures;
- Accurately represent decisions of the Board of Health;
- Disclose any potential conflicts of interest and remove themselves from any conversation where one may exist;
- Comply with the Board of Health Code of Conduct; and
- Meet expectations of the Ontario Public Health Organizational Standards, which establish management and governance requirements for all Boards of Health and public health units.

Governance Manual—Chair and Vice-Chair Role Description

The Chair and Vice-Chair of the Board of Health have specific responsibilities to the Middlesex-London Health Unit. In addition to fulfilling the responsibilities and expectations of MLHU Board members, there are additional obligations that the Board Chair and Vice-Chair must uphold.

Responsibilities of the Chair include:

1. **Leadership** - Guides and directs ~~the governance~~ Board processes, centering the work of the Board on the organization's mission, vision and strategic direction.
2. **Agendas** - Establishes agendas for Board and Executive Committee meetings, in collaboration with the ~~GEOMOH / CEO~~.

PURPOSE

To outline the structure and composition of the Board of Health

POLICY

The Board of Health is an autonomous body responsible for the governance of the Health Unit in accordance with Section 49 (1), (2), (3) of the Health Protection and Promotion Act (HPPA) as amended, which outlines the composition of Boards of health and Regulation 559 re Designation of Municipal Members of Boards of Health.

PROCEDURE

Board Composition

The Board of Health consists of municipal and provincial appointees. Each member's term of office is determined by the appointing body.

The number of Board members and their representation is as follows:

City of London – 3 appointees

County of Middlesex – 3 appointees

Province of Ontario – 5 appointees

An Aboriginal council of the band that has entered into an agreement with the Board has the right to appoint a member of the band to be one of the members of the Board of Health. Councils of the bands of two or more bands that have entered into agreements have the right to jointly appoint a person to be one of the members of the Board of Health instead of each appointing a member.

No person whose services are employed by the Board of Health is qualified to be a member of the Board of Health.

Board Structure

Each year at its inaugural meeting, the Board will:

- Elect a Chair, Vice Chair and Secretary-Treasurer
- Decide whether to establish and/or continue standing committees or to have the Board deal with all matters directly.

The Chair of the Board is to rotate between one of the appointees of the County of Middlesex, the City of London or the Province of Ontario when terms of the Board Chair are not renewed.

Board of Health Orientation and Development

Every Board of Health is must ensure that all new members receive an orientation to the role and ongoing development and education. A comprehensive orientation can support a positive Board culture and enrich the members’ understanding of their role and the expectations of the Board of Health.

When the Board has all members appointed, Board retreats may provide opportunities for improvement and identify recommendations, resulting in Board goals and future education topics.

Performance Evaluations

Medical Officer of Health & Chief Executive Officer Performance Appraisal

The Medical Officer of Health & Chief Executive Officer Performance Review will be conducted annually during the first quarter of the calendar year with a report coming to the Governance Committee on the results in the April Governance Committee meeting.

Board of Health Self-Assessment

In accordance with the Ontario Public Health Organizational Standards, the Board of Health should complete a self-assessment at least every other year and provide recommendations for improvements in Board effectiveness and engagement.

Terms of Reference Review

The Governance Committee Terms of Reference sets out the parameters of how authority is delegated to the committee and how the committee is accountable to the Board of Health.

It is incumbent upon the Governance Committee to review the terms of reference at least biannually to ensure that components (purpose, reporting relationship, membership, chair, term of office, duties, frequency of meetings, agenda and minutes, by-laws and review) are still relevant to the needs of the committee.

Board of Health By-laws, Policies and Procedures Review and Development

These by-laws and policies represent the general principles that set the direction, limitations and accountability frameworks for MLHU. Governance Policies relate to by-laws, organizational structure and finances.

The Ontario Public Health Organizational Standards address by-laws that must be in place for Board operation as well as suggestions for additional policies

The Board of Health Governance Committee should ensure that these policies are revised or reviewed biannually.

The Senior Leadership Team may make recommendation for additional by-laws, policies or procedures or revising to existing ones should the need arise.

Accountability

Compliance with Ontario Public Health Standards

The Ontario Public Health Standards communicate the provincial expectations in the local planning and delivery of public health programs and services by the Board of Health. They provide the minimum requirements in the assessment, planning, delivery, management and evaluation of programs and services targeting disease prevention, health protection and promotion and community health surveillance. The standards are published by the Ministry of Health and Long-Term Care under the authority of Section 7 of the Health Protection and Promotion Act.

Compliance with the Ontario Public Health Organizational Standards

The Ontario Public Health Organizational Standards are a set of organizational and governance standards that apply to all Boards of Health. They provide the basis for assessing the governance and administrative functioning of Boards and Public Health Units.

Provincial Accountability Framework (PHFAA)

The Public Health Financial and Accountability Agreements provide a framework for setting specific performance expectations, and establishing data requirements to support monitoring of these performance expectations.

Public Health Unit Audits

In 2012-2013, the Ministry of Health and Long-Term Care began an auditing process for health units under Article 8.3 of the Accountability Agreement and an assessment of the Board of Health under section 82 of the Health Protection and Promotion Act. Its goal is to audit at least two public health units per year as efforts to ensure compliance with three main areas: the Ontario Public Health Organizational Standards, Public Health Accountability Agreement, and the Smoke-Free Ontario Agreement.

With respect to the Organizational Standards, the province will audit the BOH's structure, operations, leadership, trusteeship, community engagement and responsiveness, and management operations.

Strategic Planning

In approving major decisions, the Board of Health must be aware of the big picture and understand how their decisions will shape an organization over the long-term. . Board members do not generally participate in the creation and formulation of strategy. This is the responsibility of the MOH / CEO and the Senior Leadership Team. However, Board Members must understand and approve the strategy proposed by the leadership team for long-term value creation. Once approved, Board Members should continually monitor the execution and results of the strategic plan. For these purposes, directors must know the key value and risk drivers of the organization.

A strategic plan is required by each health unit in accordance the Ontario Public Health Organizational Standards.

Accreditation and Quality

While it is not mandatory for Public Health Units to be accredited, slightly more than half choose to participate in the accreditation process. Accreditation is an ongoing, voluntary process used to assess and improve the quality of programs and services to stakeholders.

Accreditation also provides a process for quality assurance by identifying areas for improvements in efficiency and performance related to leadership, management and delivery of services.

Risk Management and Assessment

Risk Management Planning

The Board of Health should have a risk management strategy that is monitored and evaluated on a regular basis. This means have to identify and assess potential risks, determining appropriate health unit responses. A risk management strategy would also necessitate a common understanding of risk, the impact or consequences that each risk may have on the organization and the probability of occurrence that the risk may have.

Board of Health Liability

A report commissioned by alPHa and its legal counsel that outlines the legal obligations that the Board of Health members have to the Public Health Unit and the community. It is recommended that if the Board of Health has not already done so that a standing item on the Board's reporting calendar be the receipt of a report from the Medical Officer of Health on the status of compliance with required obligations under the HPPA. This links with accountability role that the Board of Health is responsible for.

FINANCE & FACILITIES COMMITTEE

PURPOSE

The committee serves to provide an advisory and monitoring role. The committee's role is to assist and advise the Board of Health, the Medical Officer of Health /Chief Executive Officer (MOH / CEO), and the Associate Director, Finance in the administration and risk management of matters related to the finances and facilities of the organization.

REPORTING RELATIONSHIP

The Finance & Facilities Committee is a committee reporting to the Board of Health of the Middlesex-London Health Unit. The Chair of the Finance & Facilities Committee, with the assistance of the Associate Director, Finance and the MOH / CEO, will make reports to the Board of Health as a whole following each of the meetings of the Finance & Facilities Committee.

MEMBERSHIP

The membership of the Committee will consist of a total of five (5) voting members. The members will include the Chair and Vice-Chair of the Board of Health and in total, the membership will contain at least one Middlesex County Board Member, one City of London Board Member and two provincial Board Members.

The Secretary-Treasurer will be an ex-officio member.

Staff support includes:

- Director, Corporate Services;
- Associate Director, Finance; and
- Executive Assistant to the Board of Health and Communications or the Executive Assistant to the Medical Officer of Health depending on availability.

Other Board of Health members are able to attend the Finance & Facilities Committee but are not able to vote.

CHAIR

The Finance & Facilities Committee will elect a Chair at the first meeting of the year to serve for a one or two year term. The Chair of the Committee may be appointed for additional terms following the completion of an appointment to enhance continuity of the Committee.

TERM OF OFFICE

At the first Board of Health meeting of the year the Board will review the committee membership. At this time, if any new appointments are required, the position(s) will be filled by majority vote. The appointment will be for at least one year, and where possible, staggered terms will be maintained to ensure a balance of new and continuing members. A member may serve on the committee as long as he or she remains a Board of Health member.

DUTIES

The Committee will seek the assistance of and consult with the MOH / CEO, the Director, Corporate Services and the Associate Director, Finance for the purposes of making recommendations to the Board of Health on the following matters:

1. Reviewing detailed financial statements and analyses.
2. Reviewing the annual cost-shared and 100% funded program budgets, for the purposes of governing the finances of the Health Unit.

The items on the reporting calendar are organized around the requirements to uphold public accountability over the use of resources, to manage the budget process efficiently, to communicate and report on the status of the budget, monitoring of facilities, risk management and administration and to align the budget to the strategic priorities of the Board of Health.

Accountability

Audited Financial Statements Review

The preparation of the financial statements is the responsibility of the Health Unit's management and is prepared in compliance with legislation and in accordance with Canadian public sector accounting standards. The Finance & Facilities Committee meets with management and the

external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

It is a requirement of the Board of Health is to provide audited financial reports to various funding agencies for programs that are funded from April 1st – March 31st each year. The purpose of this audited report is to provide the agencies with assurance that the funds were expended for the intended purpose. The agencies use this information for confirmation and as a part of their settlement process.

These programs are also reported in the main audited financial statements of the Middlesex-London Health Unit which was approved by the Board of Health in June, however this report includes program revenues and expenditures of these programs during the period of January 1st to December 31st, which does not coincide with the reporting requirements of the funding agencies. Therefore, a separate audited statement is required.

Board of Health Remuneration

Section 49 of the Health Protection & Promotion Act (HPPA) speaks to the composition, term, and remuneration of Board of Health members. Subsections (4), (5), (6), & (11) relate specifically to remuneration and expenses. This is to be reviewed by the Finance & Facilities Committee who makes recommendations to the Board of Health each year.

Public Sector Salary Disclosure

The Public Sector Salary Disclosure Act, 1996 makes Ontario's public sector more open and accountable to taxpayers. The act requires organizations that receive public funding from the Province of Ontario to disclose annually the names, positions, salaries and total taxable benefits of employees paid \$100,000 or more in a calendar year.

The main requirement for organizations covered by the act is to make their disclosure or if applicable to make their statement of no employee salaries to disclose available to the public by March 31st each year. Organizations covered by the act are also required to send their disclosure or statement to their funding ministry or ministries by the fifth business day of March.

Funding & Service Level Agreements

The Middlesex-London Health Unit receives grant funding, both one-time and ongoing from a variety of different sources. It is incumbent upon the Finance & Facilities Committee to annually, or as deemed necessary, review all service level and funding agreements.

Budget Process

Board of Health Budget Cycle

The Board of Health budget cycle consists of a defined set of tools and key deliverable dates that the management of the Middlesex-London Health Unit are accountable to meet. The budget cycle intends to align planning processes with resource allocation and facilitate meeting the needs of the programs and services.

Budget Parameters & Planning Assumptions

Developing high level planning parameters is an integral part of any budget process. They help guide and inform planning and resource allocation decisions. Ideally the parameters should be linked to the organization's strategic direction, key budget planning assumptions and take into consideration municipal and provincial outlooks.

Strategic and financial targets can also be considered during the Budget Parameters & Planning Assumptions deliberations at the Finance & Facilities Committee.

Guidelines for Municipal Budgets

While the Municipal funders can set targets for the Board, the final decision regarding budget requirements rests with the Board of Health. It is therefore essential that the Board of Health determine its approach to the development of the budget and provide the Municipalities of intended changes to the budget.

Reserve and Reserve Funds

The Board of Health maintains the following Reserve and Reserve Funds: Funding Stabilization Reserve, Dental Treatment Reserve Fund, Sick Leave Reserve Fund, Environmental Reserve – Septic Tank Inspections, Technology & Infrastructure Reserve Fund, and Employment Cost Reserve Fund.

Planned contributions and drawdowns to the reserves or reserve funds will be included in the annual operating budget approved by the Board of Health. Any unplanned drawdowns will be approved by resolution of the Board of Health. Each year a report is provided to the obligated municipalities outlining the transactions of the reserve and reserve funds.

Program Budgeting Marginal Analysis

Program Budgeting Marginal Analysis (PBMA) is a criteria-based budgeting process that facilitates reallocation of resources based on maximizing service. This is done through the transparent application of pre-defined criteria and decision-making processes to prioritize where proposed funding investments and disinvestments are made.

Board of Health Budget

The Board of Health Budget is presented to the Finance & Facilities Committee through the use of Program Budget Templates which integrates: (A) A summary of the team program, (B) Applicable health standards, legislation or regulations, (C) Components of the team program, (D) Performance/service level measures, (E) Staffing costs, (F) Expenditures, (G) Funding Sources, (H) Key highlights planned, (I) Pressures and challenges, and (J) Recommended enhancements, reductions and efficiencies.

Communications

Quarterly Financial Updates

Health Unit staff provide financial analysis for each quarter and report the actual and projected budget variance as well as any budget adjustments, or noteworthy items that have arisen since the previous financial update that could impact the Middlesex-London Health Unit budget.

Visa & Accounts Payable Updates

In accordance with Section 5.17 of the Procurement Policy, the Associate Director of Finance is to report annually the suppliers who have invoiced a cumulative total value of \$100,000 or more in a calendar year.

The Finance & Facilities Committee also requested to report annually a summary of purchases made with corporate purchase cards.

Facilities, Risk Management & Administration

Factual Certificate

Health Unit Management completes a factual certificate to increase oversight in key areas of financial and risk management. The certificate process ensures that the Committee has done its due diligence. The certificate is reviewed on a quarterly basis alongside financial updates.

Physical Asset and Facilities Monitoring

The Finance & Facilities Committee is responsible for monitoring the Middlesex-London Health Unit's physical assets and facilities. This entails a review of space needs, property leases and acquisitions.

Policy Development & Review

By-laws and policies represent the general principles that set the direction, limitations and accountability frameworks for the Middlesex-London Health Unit. The Finance & Facilities Committee is responsible for reviewing the governance and administration policies relating to the financial management of the organization, including but not limited to, procurement, investments, and signing authority.

These requirements are outlined by the Ontario Public Health Organizational Standards and should be reviewed by the Finance & Facilities Committee at least biannually.

The Senior Leadership Team may also make recommendations for additional finance by-laws, policies or revisions should the need arise.

Insurance Coverage Review

The Finance & Facilities Committee is responsible for an annual review of the types and amounts of insurance carried by the Health Unit. Staff are responsible for preparing a review of

the insurance needs of the Health Unit and providing recommendation to the Finance & Facilities Committee in regards to the level and types of insurance the Middlesex-London Health Unit should purchase.

Other

Benefits Provider Review

Group insurance for the Middlesex-London Health Unit is reviewed at the completion of a service agreement. Staff are responsible for preparing a review of the needs of the Health Unit following appropriate market analysis and providing recommendation to the Finance & Facilities Committee.

Review Terms of Reference

The Finance & Facilities Committee Terms of Reference sets out the parameters of how authority is delegated to the committee and how the committee is accountable to the Board of Health.

It is incumbent upon the Finance & Facilities Committee to review the terms of reference at least biannually to ensure that components (purpose, reporting relationship, membership, chair, term of office, duties, frequency of meetings, agenda and minutes, by-laws and review) are still relevant to the needs of the committee.

Living Wage Certification Update

The Middlesex-London Health Unit is in the process of becoming a Living Wage Employer. Experience elsewhere indicates that the business impacts would include reduced employee turnover, increased job satisfaction and loyalty, and increased performance. This would also establish the Health Unit as a leader in this area, and enhance the Health Unit's ability to influence others to take on Living Wage policies.

PURPOSE

The purpose of the Board of Health Self-Assessment is to provide all Board members an opportunity to evaluate and discuss the performance of the Board and to understand the barriers to and drivers of Board effectiveness and engagement. Results of the self-assessment are helpful in planning Board development opportunities and enhancing generative governance.

POLICY

It is important to recognize that Board effectiveness must be continuously monitored and evaluated with regards to performance, processes and practices. The Board of Health believes that regular self-assessment is essential in supporting the health unit's vision, mission and values, improving leadership and improving public health outcomes.

The Board of Health is required to complete a self-assessment at least every other year as per the requirements of the Ontario Public Health Organizational Standards (OPHOS). The Middlesex-London Board of Health completes the self-assessment annually.

PROCEDURE

The Governance Committee of the Board of Health is responsible for the initiation of the Board of Health Self-Assessment and to assist and advise staff in its administration. The process for the self-assessment is as follows:

1. Governance Committee reviews and, approves-amends as necessary, and recommends to the Board of Health approval of the Board of Health Self-Assessment Tool (Appendix A).
2. The Governance Committee Report informs the Board of Health that this process is being initiated.
- 2-3. The Board of Health approves the Board of Health Self-Assessment Tool (Appendix A).
- 3-4. The survey is distributed via email following the February Board of Health meeting for completion prior to the March Board of Health meeting.
- 4-5. Completed hard copies can be submitted in a sealed envelope to the Executive Assistant to the Board of Health and Communications.

REVIEWED BY: Governance Committee	DATE:	

PURPOSE

Well-defined nomination and appointment processes help to ensure a high-performing Board of Health by articulating the need for balance within the Board, Board member skills, expertise, qualities and competencies that are desired and clear steps that can be followed.

POLICY

This policy articulates the requirements, criteria and process for the Board of Health nominations, appointments and reappointments. This policy is applicable to provincial appointees, and where relevant, to municipal appointees.

PROCEDURE

Notification

Incumbent appointees who are eligible for reappointment will notify the Chair of their intentions with respect to requesting reappointment not less than six months prior to the expiration of their term. The Secretary-Treasurer of the Board will provide a listing of all Board Members with term expiration dates annually, usually at the first meeting of the year.

Term of Appointment

The term of appointment for provincial appointees is set by the Public Appointments Secretariat and may be for one, two or three years. The term of appointment for a municipal appointee is the term of office of the council unless otherwise specified by the Council.

Criteria to be Considered

In considering the appointment and reappointment endorsement/recommendation, the Board of Health will consider:

- a) Commitment to the Mission, Vision and goals of the Middlesex-London Health Unit (MLHU);
- b) Commitment to and an understanding of the policies and programs of the MLHU;
- c) Ability to work collegially with other Board Members and the Medical Officer of Health / Chief Executive Officer (MOH / CEO)/CEO;
- d) Diversity and skill composition of current Board of Health members;
- e) Representation of MLHU in the community;
- f) Regularity of attendance at Board of Health meetings;
- g) Participation in and contribution at Board of Health meetings; and
- h) Ability to make a continued commitment to monthly involvement in Board of Health meetings and related activities.

Term Limits

The Ministry of Health and Long-Term Care adheres to the Provincial Appointments Secretariat's ten-year limit for appointees. There is no limit to length of service for municipal representatives, however, it is recognized that best practices in governance include term limits in the range of ten years.

Consideration of Reappointment Requests

The Board of Health will consider endorsements/recommendations relating to Board reappointment in a closed session, under Board of Health By-law No. 3 section 7.2, Criteria for in-camera meetings, subsection (b) personal matters about an identifiable individual, including Board employees.

The Governance Committee shall consider offering interviews to applicants in order to advise the Board on appropriateness of recommending applicants to the Ministry.

A Board member being considered for reappointment will absent themselves from the portion of the session during which their reappointment request is considered. The remaining members may, at their discretion, request the member to return to provide information or answer questions. A motion regarding endorsement/recommendation, if any, will be made in camera.

Letter of Endorsement/Recommendation

For municipal appointments or reappointments, the Chair will submit a letter of endorsement by regular mail addressed to the Mayor of the City of London and the Warden for Middlesex County listing the current diversity and skill requirements for their consideration in the appointment or reappointment process.

For provincial appointment or reappointments, the Chair will submit a letter of endorsement by regular mail addressed to the Minister of Health and Long Term Care listing the names of all interested appointees that are being supported for appointment or reappointment along with the completed Reappointment Information Form(s) to:

The Ministry of Health and Long Term Care
10th Floor Hepburn Block, 80 Grosvenor Street
Toronto, ON M7A 2C4

Or by email or fax to
Minister's Special Assistant for Public Appointments
Fax: 416-326-1571

A copy of all above-mentioned documentation must also be sent to the Manager, Public Appointments Unit, Ministry of Health and Long Term Care, by fax to 416-327-8496 or by email.

For municipal appointments or reappointments, the Chair will submit a letter of endorsement by regular mail addressed to the Mayor of the City of London and the Warden for Middlesex County.

SECTION: Board Effectiveness	PAGE:	1 of 3
IMPLEMENTATION:	APPROVAL: Board of Health	
SPONSOR: MOH / CEO	SIGNATURE:	
REVIEWED BY: Governance Committee	DATE:	

PURPOSE

Members of the Board of Health are called to observe the highest ethical standards in their conduct as members. This policy described potential conflicts of interest in seeks annual declaration.

POLICY

The standard of behaviour of members of the Board of Health is that each member must scrupulously avoid conflicts of interest between the interest of the health unit on one hand and personal, professional, and business financial interests on the other. This includes avoiding potential and actual conflicts of interest, as well as perceptions of conflicts of interest.

PROCEDURE

Types of Conflict

Conflicts of interest could arise that are:

- actual or real, where the person's official duties are or will be influenced by the person's private or personal interests;
- perceived or apparent, where the person's official duties appear to be influenced by the person's private or personal interest; or
- foreseeable or potential, where the person's official duties may be influenced in the future by the person's private or personal interests.

Examples of Conflict of Interest Situations

Interest in a Transaction

A ~~Director~~ Board Member has a direct or indirect interest in a transaction or contract with the health unit.

Interest of a Relative

The health unit conducts business with suppliers of goods or services or any other party of which spouse of an officer of the health unit is a principal or officer.

Gifts

A ~~Director~~ Board Member, or the ~~Director~~ Board Members's adult child, accepts gifts, payments, services or anything else of more than a token or nominal value from a party that hopes to transact business with the Health unit (including a supplier of goods or services) for the purposes of (or that maybe perceived to be for the purposes of) influencing an act or decision of the ~~Board~~ Board.

“Two Hats”

A ~~Director-Board Member~~ is also a Board Member or a Director of another corporation (even a not-for-profit corporation) proposing to enter into a transaction with the Health Unit.

Appropriation of Corporate Opportunity

An ~~employee-Board Member~~ diverts an opportunity or advantage that belongs to the Health Unit to himself or herself.

Responsibility

Board members must declare any conflict of interest as soon as it has been identified. The declaration should be made to the Board Chair. The declaration shall disclose the nature and extent of the stakeholder’s interest. Disclosure shall be made at the earliest possible time and prior to any discussion, vote or decision making on the matter (unless such discussion, vote or decision making has occurred before the conflict was discovered). The Board members shall not attempt in any way to influence and such vote or decision.

As the identification of a conflict of interest is sometimes difficult, Board members are encouraged to consult the Board Chair regarding those matters that the member considers could constitute a conflict of interest. It is the responsibility of the Board Chair to determine whether a conflict of interest exists. In making that determination, the Board Chair may be guided by advice from the member and the other members of the Board and the Medical Officer of Health / Chief Executive Officer and by the advice of counsel, if sought. Board Chair should resolve any uncertainty as to whether a conflict of interest exists on the side of its existence. Once the Board Chair has determined that the member is in a conflict of interest position, the member should formally declare the conflict of interest in the manner set forth in this policy.

Special Role for the Board Chair

The Board Chair is the key person to establish an ethical climate for the health unit and the Board, and for ongoing attention to conflict of interest issues on the Board. The Board Chair is also responsible for the resolution of conflict of interest situations, and related disputes, among the Board members. The Vice Chair will, together with the Board, deal with conflict of interest situations that may arise with respect to the Board Chair. The Board bears great responsibility for maintaining the reputation of the health and such has special responsibility for ethical matters.

Annual Responsibilities

In addition to complying with the ongoing responsibilities set forth above, the Board members are required to complete an Annual Declaration Form (Appendix A).

PURPOSE

To maximize the media's interest in and coverage of public health issues, programs, activities and services and to ensure that information is accurate, timely, relevant and maintains client confidentiality.

POLICY

The media plays an important role in the Health Unit's efforts to inform and raise awareness regarding public health issues, programs and services in Middlesex-London. Staff's prompt response to media requests allows the Health Unit to maintain strong and open lines of communication with both the media and the residents of Middlesex-London.

A Health Unit spokesperson is to be designated through consultation with the Manager, Communications or their designate. The type of request and its potential implications will be taken into consideration.

The Manager, Communications should be contacted to coordinate media requests and to provide guidance, advice or assistance to staff in how to respond to media inquiries.

Staff should inform the Manager, Communications promptly when they are approached directly by the media.

The Manager, Communications is to be consulted in the development of media messages and approaches when crisis communications are required.

The Health Unit has a legal obligation to keep medical information private and confidential. Information about patients/clients must not be released without the permission of the patient/client unless deemed essential to protect the health of the community.

PROCEDURE

Media Enquiries

All media requests should be directed to and cleared by the Manager, Communications who will act as media liaison and ask the appropriate Director/Manager/staff to respond to a media request. ~~She/He~~ / she will offer Health Unit staff advice, guidance or assistance as needed. In the event of a public health emergency/crisis all media requests are to be referred to and coordinated by the Manager, Communications as outlined below. Staff contacted directly by the media should refer the call to the Manager, Communications, unless the staff person is the designated spokesperson on a media release. Members of the media are to be met by a staff person in the main reception area, on the first floor and must be escorted by a staff person at all times when on Health Unit premises. The Health Unit has the right to prohibit members of the media from interviewing patients/clients and staff, taking photographs or otherwise invading the privacy of individuals or staff.

MLHU-Initiated Media Communications

In order to ensure that Health Unit media projects or approaches are not compromised, all staff must consult with the Manager, Communications before initiating contact with the media. All complaints or rebuttals regarding media coverage or the conduct of a member of the media must be handled by the Manager, Communications. Media Releases are issued by the Office of the Medical Officer of Health and approved by the Manager, Communications prior to release.

When sending out a Media Release the Manager, Communications will:

- Work with staff to develop effective media messages;
- Edit releases;
- Distribute the release to appropriate media outlets;
- Send a copy of the media release to the MOH, the Management Team, the designated spokesperson and posts the media release on the MLHU website; releases will be distributed to all staff via e-mail; and
- Monitor, evaluate, and track media coverage and, if needed, advise/respond to media coverage.

Crisis Media Communications

Procedure(s) for this response are described in the Emergency Response Plan that is maintained by the Manager, Emergency Management.

Staff Training

The Manager, Communications educates staff about media relations and provides media training as required.

PURPOSE

To ensure reports to the Board of Health are prepared and processed in a standardized format.

POLICY

All reports submitted by staff to the Board of Health must be addressed and formatted as per the MLHU Corporate Identity and Graphic Standards Manual and in accordance with the procedure in this policy.

PROCEDURE

General

Board of Health reports are initiated and prepared by appropriate Health Unit staff. Preparation of the agenda is the responsibility of the Medical Officer of Health and Chief Executive Officer in order to maintain a coordinated Board meeting agenda and to handle the inclusion of urgent issues.

Format

The Board Report template (Appendix A) must be used to prepare Board reports. Referencing will follow the most current version of the American Psychological Association (APA). Additional formatting details are in the MLHU Corporate Identity and Graphic Standards Manual. Additional templates for Governance Committee and Finance and Facilities Committee can be found as Appendix B and C.

Submission Protocol

After the agenda has been set, reports will be numbered sequentially from January 1 to December 31 with a two-digit reference to the year the report appeared before the Board. The Executive Assistant (EA) to the Medical Officer of Health / Chief Executive Officer (MOH / CEO) maintains a register of Board reports by report number, meeting date, subject matter and author(s).

Draft reports are to be reviewed by the Director and Manager before proceeding to the next step in the submission protocol.

Ten working days prior to the Board meeting, the following information must be submitted to the EA to the MOH / CEO for review by the MOH / CEO: an electronic version of the draft

Relations

| report and the relevant appendices. The EA to the MOH / CEO will provide an updated schedule of Board meeting dates and report submission deadlines to all staff.

The draft electronic version of the report is sent as an attachment through outlook to the EA of the MOH who will maintain computer files of the Board reports in order to expedite minor revisions and to provide centralized management of the reports.

| Major revisions to the draft reports by the MOH / CEO will be discussed with the author(s)/appropriate manager. If time permits the author is responsible for completing major revisions and resubmitting the report.

| The final version of the report must be approved and signed by the MOH / CEO.

Distribution

| Board reports will be incorporated into packages for distribution to Board members by the EA to the MOH / CEO. The EA to the MOH / CEO will arrange for the delivery of packages to Board members to be received no later than the Friday five days prior ~~of the week before to~~ the scheduled Board meeting.

The EA to the MOH will distribute Board meeting packages, including in-camera reports, where appropriate to all members of the Senior Leadership Team; Manager, Communications; and Manager, Strategic Projects, prior to the Board meeting. Directors circulate Board agenda, reports and minutes to staff in accordance with Divisional practices.

The EA to the MOH will send an electronic copy of the final Board Report to each of the Director(s)/Manager(s) who originally submitted them.

Board packages, excluding in-camera reports, will be made available to the Media by the Manager, Communications prior to the scheduled Board meeting. The EA will also provide the Online Communications Coordinator with a copy of the Board agenda package (excluding in-camera reports) to be posted to the Health Unit website.
