

## Article / Chapter Request Form

**Important: This form is for MLHU and Shared Library Services client health unit staff only.**

This form is for requesting a copy of an article, document, book, or book chapter. Fill in as much information as you can. Submit your request through the email button at the bottom of the form. This form is **not** a requirement to request library services. To request any library services you may also contact the library directly through email or phone. If you are requesting multiple articles, it is easier to email the library directly with the citation information. The articles will typically be mailed to you in print copy. If you have any questions, please contact the library. The contact information is at the bottom of this form.
