Baby-Friendly Initiative Informed Decision Making (IDM) Workshop

Presented by the BFI Strategy for Ontario

- ✓ This interactive 1/2-day course supports the understanding of the informed decision-making process concerning infant feeding
- ✓ Gain skills through activities
- ✓ Learn about supporting new mothers/families with making an informed decision
- ✓ An opportunity to ask questions of expert IBCLC (lactation consultant) within the context of infant feeding knowledge and decisions

Two workshops will be held on **March 8, 2018 (NEW DATE)**
From **8am-12pm & 1pm-5pm**

At **St. Joseph's Hospital**, 268 Grosvenor St., London, **Meeting Rooms 1&2 (E1-126/128)**, Cheapside Entrance 4

To register for either session, email BFIStrategy@tehn.ca
(be sure to indicate the date, time & location in your subject line)
