

Literature Search Request Form

Important: This form is for MLHU and Shared Library Services client health unit staff only.

This form is for requesting a literature search. Not all areas below may apply to your research so fill in as much information as you can. Submit your request through the email button at the bottom of the form. A librarian will contact you about your request. This form is **not** a requirement to request library services. To request a literature search or any other library service, you may also contact the library directly through email or phone. If you have any questions, please contact the library. The contact information is at the bottom of this form.

English results only)</i></p>			
<input type="text"/>			
How do you hope this information will assist you?			
<input type="text"/>			

What keywords or phrases might you suggest to guide this search?

Are there any specific websites, databases, journals, etc. that you would like included in the search?

Do you use a reference management tool? (example RefWorks, Reference Manager, Endnote, Zotero)
