

For You. For Your Family. For The Community.

Vaccination offers the best protection against serious respiratory illness.

- This year, book an appointment at your local pharmacy for the COVID-19 and Influenza vaccines.
- Space your COVID-19 vaccines 6 months apart.

Children from 6 months – 2 years can be vaccinated by the Middlesex-London Health Unit if they don't have a family health care provider offering these vaccines. Call 519-663-5317 to book an appointment with us.

Scan to find a participating
pharmacy near you.
