PREV-OH is a **no-cost** program for children ages 0 to 17 that provides preventive oral health services to maintain the health of your child's smile.

This program does NOT take the place of a dental check-up.

Who qualifies for PREV-OH?

- ✓ Children ages 0 to 17;
- ✓ Resident of Middlesex-London;
- ✓ Children with no dental coverage through Ontario Works (OW), Ontario Disability Support Program (ODSP), Children In Need Of Treatment (CINOT), Healthy Smiles Ontario (HSO) or through employee benefit programs

What services are provided?

- ✓ Cleaning and polishing of the teeth
- ✓ Fluoride treatments
- ✓ Dental sealants (plastic coating on the back teeth)
- ✓ Oral health education

PREV-OH services are provided at the Middlesex-London Health Unit's 50 King Dental Clinic
